## PRESENT:

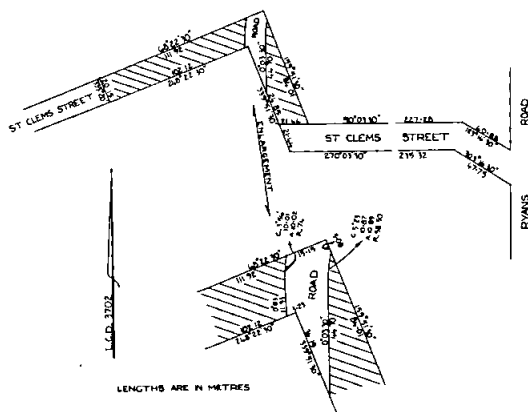

His Excellency the Governor of Victoria

Mr Crabb  
Mr Simpson

Mr Mackenzie  
Mr Wilkes

In pursuance of the powers conferred by the *Victorian Dairy Industry Authority Act 1977* and the *Milk Board Act 1958* and all other powers enabling him in that behalf, His Excellency the Governor of Victoria, by and with the advice of the Executive Council thereof, doth hereby revoke as from 1 August 1982 the *Cream Prices Determination 1981* (No. 1) as published in *Victoria Government Gazette* No. 36 dated 29 April 1981 and doth hereby approve of the following *Determination of cream prices* by the Victorian Dairy Industry Authority to take effect from 1 August 1982.

## DETERMINATION

1. This Determination may be cited as the "*Cream Prices Determination 1982* (No. 1)".

2. For the purpose of this Determination "cream" shall mean cream as defined in the *Food and Drug Standards Regulations 1966*.

3. For the purpose of this Determination "table cream" shall mean cream used or prepared or intended to be used or prepared for human consumption as cream and "industrial cream" shall mean all other cream.

4. This Determination shall apply to all milk and/or cream or other butterfat used or prepared or intended to be used or prepared as cream.

5. This Determination shall be binding on every person carrying on the business of buying or selling milk or butterfat, which or part of which is to be used or may be used in the preparation of cream.

6. The principal officer or his authorized representative of each factory or authorized milk depot in the State of Victoria that received milk from dairy farmers shall ascertain (a) the total fat content of all milk received by it from dairy farmers, and either used by it for the production of cream or supplied by it as milk to a cream processor or packager or otherwise and used for the production of cream and (b) the total butterfat content of all separated butterfat supplied by it to a cream processor or packager or otherwise for use as cream or for the production of cream.

7. Such principal officer or his authorized representative shall (subject to paragraph 8 below) apportion the total butterfat thus ascertained over the total intake of butterfat in choice grade milk supplied by dairy farmers at that factory, net of the butterfat in standardized market milk despatches. The butterfat thus apportioned shall, within 30 days after the month of supply, be paid for in accordance with the prices payable to dairy farmers as set out in paragraph 12.

8. As an alternative to the procedure described in paragraph 7 such principal officer or his authorized representative may increase the factory/depot rate of payment each month for butterfat used for manufacturing purposes to reflect both the manufacturing payment and the determined cream prices payable as set out in paragraph 12 (a) below. If a factory/depot adopts this alternative, the proportion of butterfat reflecting cream sales in the previous month and the rate of payment must be identified to its suppliers each month.

9. The prices payable to dairy farmers set out hereunder are minimum prices so as not to preclude a factory/depot paying to dairy farmers supplying butterfat used or intended to be used for table cream or industrial cream, any winter or other incentive payments.

10. Any claim by an authorized milk depot, factory, cream processor, cream packager or user of industrial cream for authority to pay or to charge the price or prices as set out in 12 (b) and 13 (b) shall be accompanied by a Statutory Declaration in the form as prescribed by the Victorian Dairy Industry Authority.

11. With respect to approvals granted by the Authority for the price of cream destined for sale within the Commonwealth of Australia other than within the State of Victoria as set out in 12 (b) and 13 (b), any such approval shall nominate the time period for which the approval operates and shall designate the State or States for which the approval is granted.

#### Prices Payable to Dairy Farmers

12. (a) The price payable to dairy farmers at the farm gate for butterfat in milk delivered to, and accepted by an authorized milk depot or factory and used, or intended to be used for table cream, for sale within the State of Victoria, shall be a minimum of \$4.10 per kilogram of butterfat.

(b) The price payable to dairy farmers at the farm gate for butterfat in milk delivered to, and accepted by, an authorized milk depot or factory and used, or intended to be used, for table cream, for sale in the Commonwealth of Australia other than within the State of Victoria, shall on the written approval of the Authority be a minimum of \$2.70 per kilogram of butterfat.
