Whereas section 528 (2) of the Local Government Act provides that where a road whether or not a public highway (but not being a road set out on Crown land) or any part of that road is not reasonably required as a road for public use, the Council of the municipality in which such road is situated may not less than one month after publishing a public notice in a newspaper generally circulated in the municipal district and given written notice to the registered proprietor (if any) of the road and to the owners and occupiers (if any) of any land abutting or immediately adjacent to the road of its intention to make a Resolution discontinuing such road or part thereof may by Resolution published in the *Government Gazette* direct that such road or part thereof shall be discontinued and thereupon such road or part of the road shall be discontinued accordingly.

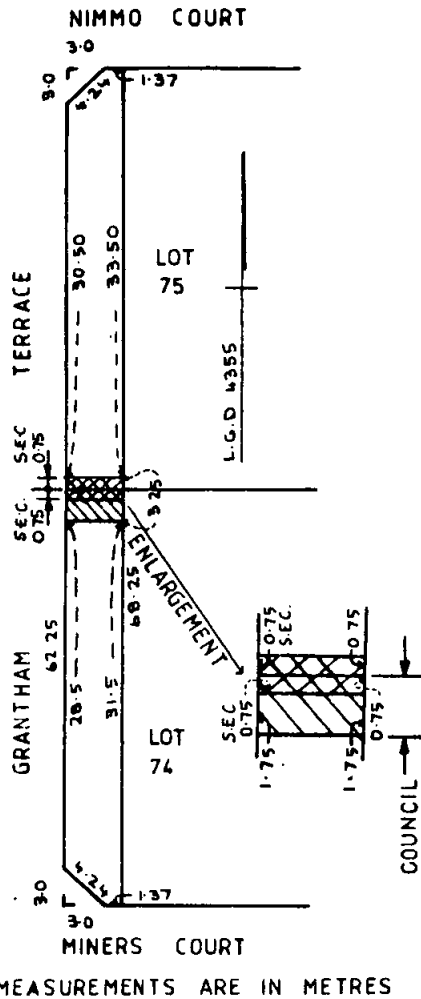

And whereas the Council of the City of Waverley resolved that the unconstructed portion of Grantham Terrace, Mulgrave between Nimmo Court and Miners Court be discontinued and not less than one month previously has published a public notice in a newspaper generally circulating in the municipal district and has given written notice to the last registered owner of the land in the road and to the owners and occupiers of lands abutting or immediately adjacent to the road of the proposed discontinuance and has considered all written objections received by it.

Now therefore the Council of the City of Waverley hereby directs—

- (a) That the said road which is shown on the plan herewith shall be discontinued upon publication of this Resolution in the *Government Gazette*.
- (b) That notwithstanding such discontinuance the State Electricity Commission shall continue to have and possess the same right title power authority or interest in or in relation to part of the land as shown by double hatching on the said plan as it has or possessed prior to such discontinuance with respect to or in connection with wires or cables laid in or on the land for the purposes of electricity supply.
- (c) that notwithstanding such discontinuance the City of Waverley shall continue to have and possess the same right title power authority or interest in or in relation

to the part of the land shown by hatching on the said plan as it had or possessed prior to such discontinuance with respect to or in connection with any drains or pipes laid or erected in or over such land for the purposes of drainage.
