CITY OF FOOTSCRAY
Road Discontinuance

Whereas section 528 (2) of the Local Government Act provides that where a road whether or not a public highway (but not being a road set out on Crown land) or any part of that road is not reasonably required as a road for public use, the Council of the municipality in which such road is situated may not less than one month after publishing a public notice in a newspaper generally circulating in the municipal district and giving written notice to the registered proprietor (if any) of the road and to the owners and occupiers (if any) of any land abutting or immediately adjacent to the road of its intention to make a Resolution discontinuing such road or part thereof may by Resolution published in the *Government Gazette* direct that such road or part thereof shall be discontinued and thereupon such road or part of the road shall be discontinued accordingly.

(c) that subject to any such right title power authority or interest the land in the said road shall vest in the municipality until it is sold by private treaty.
