 GREY STREET, ST. KILDA

Whereas it is provided by section 143 of the *Building Control Act 1981* that where the Chief Officer and the Building Surveyor at any time report to the Minister that in their opinion a building may constitute a hazard in case of fire to the extent that the occupation or use of the building should be prohibited until works are carried out to make the building reasonably safe in the case of fire the Minister may by order under his hand published in the *Government Gazette* prohibit the occupation or use of the building by any person and may at any time on the recommendation of the Chief Officer and the Building Surveyor by order under his hand published in the *Government Gazette* vary or revoke such Order.

And whereas by Order published in the *Government Gazette*, No. 10 dated 28 January 1983 the Minister for Local Government did prohibit the occupation or use of a building at 24 Grey Street in the City of St. Kilda, other than the ground floor, by any person from 14 February 1984.

And whereas the Chief Officer and the Building Surveyor have recommended the revocation of such order.

Now therefore, I Evan Walker, Her Majesty's Minister for Planning and Environment for the State of Victoria do by this Order revoke such order as and from Wednesday, 21 August 1985.
