Metropolitan Fire Brigades Superannuation Act
1976

PROPOSED ALTERATIONS TO THE
METROPOLITAN FIRE BRIGADES
SUPERANNUATION (BOARD SCHEME)
REGULATIONS 1977

In order to remove anomalies that have been identified in the benefits payable to certain firefighters and their spouses and to ensure the equitable treatment of certain pensioners it is proposed that the Metropolitan Fire Brigades Superannuation (Board Scheme) Regulations 1977 be amended. These amendments are to allow moneys payable to a beneficiary of the Fund to be retained in the Fund if the beneficiary so desires, to remove an anomaly affecting certain married pensioners, to provide for a minimum benefit under the Fund and to provide for interest to be paid on certain moneys retained in the Fund on the retirement of pensioners.

A Regulatory Impact Statement has been prepared as required by the *Subordinate Legislation Act 1962*. As a result of preparing that statement it is concluded that the potential benefits of adopting the proposed amendments to the Metropolitan Fire Brigades Superannuation (Board Scheme) Regulations 1977 outweigh the potential costs.

Copies of the Regulatory Impact Statement and the proposed regulation amendments are available from Mrs Kempton-Hall, Department of Management and Budget, 1 Treasury Place, Melbourne, 3002. Telephone (03) 651 5311.

Public comments and submissions are invited and should be lodged in writing before 18 June 1986.
