## COUNTRY FIRE AUTHORITY (PHYSICAL STANDARDS) REGULATIONS 1986

Pursuant to the Subordinate Legislation Act the Ministry for Police and Emergency Services invites members of the public to comment on the proposed Country Fire Authority (Physical Standards) Regulations 1986.

The objective of the regulations is to remove restrictions which preclude persons with physical disabilities from being appointed as firefighters with the Country Fire Authority, and to allow volunteers to be engaged by brigades where these persons may be capable of performing some, but not all, of the duties of a volunteer firefighter.

A Regulatory Impact Statement has been prepared which indicates that the potential benefits of the regulations outweigh any potential disadvantages.

Copies of the statement may be obtained from the Ministry for Police and Emergency Services, 1st Floor, Room 4, Old Treasury Building, Spring Street, Melbourne. Telephone 651 1898.
