## RETIREMENT VILLAGES (FEES FOR EXEMPTIONS) REGULATIONS

It is proposed to make Regulations entitled the "Retirement Villages (Fees for Exemptions) Regulations 1987" establishing the fees payable by applicants seeking an exemption from the provisions of the Retirement Village Bill 1986. The objectives of the Statutory Rule are to prescribe fees for the applications made pursuant to section 6 of the Bill and to ensure that in relation to one class of applicants, the fee levels prescribed reflect the estimated average costs of processing such applications and in relation to Religious and Charitable Organisations, that the fee levels are reduced to a point which strikes an appropriate balance between the aforementioned objective and recognition of the special position of these organisations.

The Statement concludes that because of the requirements of the Legislation, fees may only be charged pursuant to Regulations. It also concludes that applicants under Clause 6 (2) of the Bill should be charged a fee which reflects the user pays principle and that Religious or Charitable applicants under section 6 (1) of the Bill should be charged a fee of approximately half of that amount in recognition of their special position.

A copy of the Regulatory Impact Statement may be obtained from the Legal and Policy Division, Corporate Affairs Office, 471 Little Bourke Street, Melbourne, 3000.

Comments and submissions are invited from the public and will be received up to 21 days from the publication of this advertisement.
