RETIREMENT VILLAGES REGULATIONS
1987

It is proposed to make regulations entitled the "Retirement Villages Regulations 1987". The regulations prescribe various matters for the purposes of the *Retirement Villages Act 1986*.

The objectives of the Statutory Rule are:

- (i) to prescribe a formula for the calculation of the adjusted maintenance charge for the purposes of section 38 of the *Retirement Villages Act 1986*, and which arrives at an appropriate balance between:
 - (a) the need of the owner or manager to recoup the cost of providing the services; and
 - (b) the limited financial capacity of resident (whose only source of income may be the age pension).
- (ii) prescribe a document for the purposes of section 19 of the Act.

The Regulatory Impact Statement concludes that the adoption of a consumer price index based formula is considered the most satisfactory and cost efficient means of providing a mechanism for adjusting the levies raised on residents to recoup the costs and expenses of providing the goods and services to them by the owner or manager of a village. The statement also concludes that the prescription of the option agreement for the purposes of section 19 of the Act enables the policy behind that section to be fully implemented.

A copy of the Regulatory Impact Statement may be obtained from the Legal and Policy Division, Corporate Affairs Office, 471 Little Bourke Street, Melbourne, 3000. Comments and submissions are invited from the public and will be received up to 21 days from the publication of this advertisement.

EXEMPTION

Application No. 1 of 1987

On 6 February 1987, the Equal Opportunity Board considered an application under section 40 (1) of the *Equal Opportunity Act 1984* by the Salvation Army for an exemption from the provisions of the Act to enable the organisation to advertise for and appoint male or female youth workers as the circumstances require to maintain representation of both sexes on the staff of "Lyndon Lodge" Youth Hostel.

The Board had regard to the applicant's submission which informed the Board that:

- (i) "Lyndon Lodge" accommodates ten disadvantaged male teenagers between the ages of 14 and 18 years from a variety of backgrounds;
- (ii) hostel residents benefit from the role models provided by the staff;
- (iii) it is proposed that in 1987 the hostel be relocated and offer care and accommodation to both sexes;

and determined that the exemption requested was desirable.

The Board hereby grants an exemption from the operation of section 21 (1) (a) and (c) and section 59 of the *Equal Opportunity Act 1984* to permit the Salvation Army to advertise for and appoint male or female youth workers as the circumstances require to maintain representation of both sexes on the staff of "Lyndon Lodge" Youth Hostel.

This exemption shall remain in force until 6 February 1990.
