SHIRE OF WOORAYL

Notice that an Amendment has been Prepared and is Available for Inspection.

Amendment No. 76

Notice is hereby given that the Shire of Woorayl in pursuance of its powers under the *Town and Country Planning Act 1961* has prepared an amendment for the municipal district, excluding the Townships of Leongatha and Inverloch.

The primary purpose of this amendment is to maintain effective controls in subdivision throughout the rural and coastal areas in order to discourage the use of high quality agricultural land for residential or Part-time Residential use, and to discourage inappropriate development of the vulnerable and sensitive areas of the coast and hills.

In support of this strategy the Amendment creates a number of new rural-residential and low-density residential zones to meet the demand for rural living. These are located close to existing service centres to maximise convenience of new residents and minimise impact on the agricultural resources.

A copy of the amendment has been deposited at the Shire Offices, 9 Smith Street, Leongatha, Ministry for Planning and Environment, 33-39 High Street, Cranbourne and at The Olderfleet Buildings, 477 Collins Street, Melbourne, and will be open for inspection during office hours by any person free of charge.

Any persons affected by the amendment are required to set forth in writing any submission they

may wish to make with respect to the Amendment addressed to the Shire Secretary by 15 July 1987 and state whether they wish to be heard in respect of their submission.
