PROPOSED HOSPITALS AND CHARITIES  
(FEES) (AMENDMENT No. 6) REGULATIONS  
1987

As required by section 12 of the *Subordinate Legislation Act 1962*, notice is given of the proposed making of these Regulations.

The objectives of the proposed Regulations are to provide for a more equitable fee structure for pharmaceuticals dispensed at public hospital outpatient pharmacies to minimise as far as possible increased expenditure by hospitals on pharmaceuticals.

The Regulations are made pursuant to the *Hospitals and Charities Act 1958*.

A regulatory impact statement has been prepared in accordance with the provisions of the *Subordinate Legislation Act 1962* setting out the anticipated impact of the proposed Regulations.

The results of the impact statement are that the new fee structure is equitable and will prevent an increased burden being placed on hospitals—and thus the general community—if these adjustments were not made.

Copies of the statement may be obtained from the Principal Subordinate Legislation Officer, Department of Health, 21st Floor, Enterprise House, 555 Collins Street, Melbourne 3000 (phone: 616 7281) during business hours.

Public submissions in response to the regulatory impact statement are invited and should be sent to the officer at the above address, quoting reference number 902L0201462/2, within 21 days of the date of publication of this notice.
