Contract from 1 September, 1987 to 31 August 1989

1987-89/677—Gas and Fuel Corporation of Victoria, Heatane Gas Department, 545 Burwood Road, Hawthorn, 3122. Telephone 810 9222.

Special Conditions of Contract

These Special Conditions of Contract are to be read in conjunction with the State Tender Board (the "Board") General Conditions of Contract (refer *General Stores Gazette* P14, 29 July 1987).

1. *General:*

1.1 It is important that officers ordering supply notify the Contractor either by telephone or by post when the tanks' contents gauge reaches 30 per cent capacity.

2. *Quality:*

2.1 L.P. Gas supplied shall conform with the specifications contained in the Liquefied Petroleum Gas Regulations 1958 as amended, and the Liquefied Gases (Transportation and Gas Transfer) Regulations 1980.

3. *Delivery:*

3.1 Delivery shall be required on a topping up system which the contractor shall be expected to establish and maintain at least once fortnightly or as otherwise required.

3.2 Arrangements as to time of delivery shall be made by the officer ordering the supply.

3.3 Delivery is required to the specified delivery points as indicated on the order and shall be free of all charges (whether freight, cartage, etc.).

3.4 Initial fills are to be made within three days or as otherwise notified.

3.5 All delivery points shall be equipped with standard connections and regular sets and the contractor shall be required to check, prior to each fill, that the regulator, tank and other equipment, is in safe working order.

3.6 Cost per cylinder shall be all-inclusive, covering provision of cylinder, gas and delivery to destination, whether suburban or country.

CONSTITUTION OF THE COUNCIL OF WODONGA INSTITUTE OF TERTIARY EDUCATION

Under section 23 (2) of the Post-Secondary Education Act 1978 (in this Order called "the Act") on the recommendation of the Victorian Post-Secondary Education Commission (in this order called "the Commission") the Governor in Council by this Order provides as follows:

PART I—PRELIMINARY

Definitions

101. In this Order—

"Academic Board" means the body constituted by the Council pursuant to Part 7 under that name or another name.

"Albury-Wodonga Region" means the Albury-Wodonga growth centre and surrounding regions and such other areas as the Minister administering the Act may from time to time designate.

"Council" means the Council of Wodonga Institute of Tertiary Education constituted by this Order.

"Deputy President" means the person elected by the Council to the office of Deputy President pursuant to Part 4.

"Director" means the person appointed to office of chief executive officer of the Council and includes any person acting in that capacity.

"educational program" means an organised educational activity of any duration the major objective of which is to increase the knowledge understanding or skill of the participant and includes without limiting the generality of the foregoing any courses of study as defined in s. 28 (1) of the Act.

"general staff" means all persons employed by the Institute on a full-time or part-time basis, but not those employed on a per hour or per session basis unless designated by the Council as general staff, but excludes teaching staff.

"Institute" means Wodonga Institute of Tertiary Education.

"limited company" has the meaning ascribed to it in the Companies (Victoria) Code.

"post-secondary education" means education of persons who are beyond the age of compulsory schooling attendance and who are not undergoing a full-time course of secondary education.

"prescribed" means prescribed by this Order or the Regulations of the Institute.

"President" means the person elected by Council to the office of President pursuant to Part 4.

"Regulations" means Regulations of the Institute made by the Council under this Order.

"staff" means the teaching staff and general staff of the Institute.

"students" means the persons or classes of persons prescribed as constituting the students of the Institute.

"TAFE Board" means the Technical and Further Education Board constituted under Part III of the Act.

"Teaching Staff" means the full-time and part-time members of staff employed by the Institute and TAFE Teaching Staff, whose salaries accord with the determinations of the Industrial Relations Commission of Victoria or

other tribunal having jurisdiction, and other teachers the Institute designates as teaching staff, but not staff paid on a per hour or per session basis.

PART 2—ESTABLISHMENT AND MEMBERSHIP OF COUNCIL

Constitution of Council

210. A Council is constituted to be known as the Council of the "Wodonga Institute of Tertiary Education".

Number of Council Members

202. Council consists of twenty-two members.

Membership of Council

203. The membership of the Council is as follows:

- (a) One person appointed by the Minister administering the Act; and
- (b) Six persons associated with or having a special interest in post-secondary education and its relationship with science, technology, commerce, government, industry, trade unions, the arts, professional bodies, teaching or the community, of whom not less than three have an interest in the special needs of the Albury-Wodonga Region, appointed by Governor in Council; and
- (c) The Director, while holding the office of Director, as a member ex-officio; and
- (d) Two members of the teaching staff elected by the teaching staff in a manner prescribed; and
- (e) Two members of the general staff elected by the general staff in a manner prescribed; and
- (f) Two students of the Institute elected by the students in a manner prescribed; and
- (g) Two members of the Academic Board elected by the members of that Board in a manner determined by the Board; and
- (h) Six persons associated with or having a special interest in post-secondary education and its relationship with industry, commerce, government, professional bodies, local groups or trade unions, and in particular the special needs and interests of the Albury-Wodonga Region, appointed by co-option by the Council.

Ineligibility of Staff and Students

204. No member of staff or a student is eligible to be a member pursuant to clause 203 (a) or (b) or (h).

Removal by Governor in Council and Minister

205. Members appointed by the Governor in Council may be removed by the Governor in Council and the member appointed by the Minister may be removed by the Minister.

Term of Office

206. Subject to clauses 207 and 211 members of the Council (other than the Director) hold office—

- (a) for a term of three years in the case of members appointed pursuant to clauses 203 (a) and 203 (b) and 203 (h);
- (b) for a term of two years in the case of members appointed pursuant to clauses 203 (d), (e) and (g);
- (c) for a term of one year in the case of members elected pursuant to clause 203 (f).

Variations to Terms of Office

207. The terms of office of members may be varied as follows:

- (a) In relation to members appointed pursuant to clauses 203 (b) and (h) the appointor may determine at the time of appointment that one or more of the members pursuant to each category holds office for a term of either one or two years; and
- (b) In relation to members elected pursuant to clauses 203 (d), (e) and (f) Council or Board (as the case requires) may determine that one half of the total members permitted in each category hold office for a term of one year.

Limited Term of Office

208. (a) In this Part the reduced term of office of members elected or appointed in accordance with clause 207 (a) or 207 (b) is called a limited term of office.

(b) No member may serve more than two successive limited terms of office.

Re-Appointment of Members of Council

209. (a) A member of Council is eligible for re-appointment or re-election but no member of Council may be elected or appointed for more than three successive terms.

(b) For the purpose of this clause a term of office includes a limited term of office.

(c) A part term served by a member of council elected or appointed to fill a casual vacancy is not considered a term of office.

Vacancy in Membership of Council

210. If a member of the Council (other than the Director):

- (a) Gives written notice of resignation to the President of the Council or in the case of the President to the Director; or
- (b) Becomes of unsound mind, or becomes a person whose person or estate is liable to be dealt with in any way under the law relating to mental health; or
- (c) Becomes bankrupt; or
- (d) Is convicted of any indictable offence; or
- (e) Without leave of absence previously granted by the Council is absent from three consecutive scheduled meetings of the Council; or
- (f) Ceases to hold the qualification required for such member becoming or being a member of the Council; or
- (g) Is removed from office in accordance with this Order; or
- (h) Being a member appointed under clause 203 (a) or 203 (b) or 203 (h) becomes a member of staff or a student of the Institute; or
- (i) Dies—

the office of such member becomes vacant and the vacancy is a casual vacancy.

Age Limit for Members

211. A person who reaches the age of 72 years is not eligible for appointment or election as a member of Council and a member who reaches the age of 72 years during a period of office is not eligible for re-appointment or re-election for another term.

Casual Vacancies

212. (a) If, at any election for membership of the Council a vacancy is not filled or if an election for membership of the Council that is required to be held is not held, the vacancy so caused is a casual vacancy.

(b) Any casual vacancy in the office of an elected or appointed member of the Council must be filled by the election or appointment as the case may be of an eligible person, but if any casual vacancy occurs in the three months before the expiration of a term of office the vacancy need not be filled for the rest of the term.

(c) A member of the Council elected or appointed to fill a casual vacancy holds office during the rest of the term of the member replaced.

Election Procedures

213. Elections of members of Council must be conducted in accordance with the Regulations which may provide for voting by post or by personal ballot and for preferential or any other system of voting.

PART 3—TRANSITIONAL PROVISIONS RELATING TO COUNCIL

Interim Members of Council

301. Despite clause 203—

- (a) there shall be an Interim Council;
- (b) membership of the Interim Council is as follows:
 - (i) The Minister;
 - (ii) The Chairman of the Victorian Post-Secondary Education Commission whilst holding that office.

First Members of Council

302. This part of the Order comes into operation on a date designated by the Minister.

Powers of Interim Council

303. The Interim Council continues in existence and is to manage and control the Institute until the first meeting of the Transitional Council.

The Transitional Council

304. Membership of the Transitional Council is made up of the members appointed by the Minister and the Governor in Council and the Director, if appointed.

Functions of Transitional Council

305. The Transitional Council must as and when circumstances permit—

- (a) appoint a Director if one has not been appointed; and
- (b) appoint any necessary staff; and
- (c) appoint the first members of Council to be appointed pursuant to clause 203 (h); and
- (d) arrange for election of members pursuant to clauses 203 (d), 203 (e), 203 (f) and 203 (g).

Meetings of Transitional Council

306. In the Transitional Council—

- (a) members are eligible to attend meetings from the time of their appointment or election;
- (b) the President of the Transitional Council must be appointed by the Minister from members appointed by the Governor in Council or the Minister;
- (c) the quorum for meetings is 60 per cent of the number of members eligible to attend a meeting.

Termination of Transitional Council

307. The provisions of Part 4 apply as from the date the Transitional Council has substantially completed its obligations pursuant to clause 306.

PART 4—PROCEEDINGS OF COUNCIL**President and Deputy President**

401. The members of Council must—

- (a) annually elect one member from the members appointed under clause 203 (a) or 203 (b) or 203 (h) to be the President; and
- (b) annually elect one member from the members appointed pursuant to clauses 203 (a) or 203 (b) or 203 (h) to be the Deputy President.

Absence of President or Deputy President

402. (a) In the absence of the President, or during any vacancy in the office of the President, or during the inability of the President to act, the Deputy President has all the powers and duties of the President.

(b) In the absence of both the President and the Deputy President, the Council must elect one of its members appointed pursuant to clauses 302 (a) or 302 (b) or 302 (h) to act as president of the Council meeting.

Term of Office of President and Deputy President

403. (a) The term of office of the President and Deputy President is one year.

(b) No member is eligible to serve as President or Deputy President for more than three consecutive terms.

Meetings of Council

404. The Council must meet at least six times in each year.

Quorum

405. Fourteen members of Council constitute a quorum at any meeting other than a meeting held solely to fill a vacancy for a member appointed by Council where not less than 60 per cent of the then total members of Council constitutes a quorum.

Voting at Meetings

406. (a) Except as otherwise provided in this Order, all questions arising at a meeting of the Council must be decided by a majority of the votes of the members present and voting. The member of Council presiding at the meeting has a deliberative vote, and in the event of an equality of votes, and in the event of an equality of votes on any question, the member of Council presiding has a second or casting vote.

(b) No member of the Council may vote by proxy.

Notices of Motion

407. No motion to make, revoke or amend any Regulation may be put at any meeting of

Council, unless the notice of intention to so move and the contents of the proposal are circulated in writing to members of the Council at least seven clear days prior to the meeting, but amendments arising out of the debate may be allowed at the discretion of the Council.

Validity of Decisions

408. A decision of the Council or a committee of the Council is not invalid by reason only of a defect or irregularity in the appointment or election of a member, or in the event of a vacancy on the Council.

Indemnity

409. To the extent permitted by law, members of the Council are not personally liable for any loss or damage arising out of the bona fide execution of the duties, powers, authorities and discretions conferred or imposed upon them under this Order, and are entitled to be indemnified out of the assets of the College for any personal liability so incurred, other than loss or damage resulting from their wilful act, default, neglect or fraud.

Pecuniary Interests

410. (a) Any person who has a pecuniary interest, whether directly or indirectly, in any business of the Council, or of any committee of the Council of which the person is a member, must declare the nature of any pecuniary interest on every occasion when the business is being considered at a meeting at which the person is present.

(b) No person is entitled to vote at any meeting of the Council, or any committee of the Council on any subject in which that person holds a pecuniary interest, but nothing in this clause disqualifies a staff member who is a member of Council, or of a committee of Council from voting on matters affecting the general terms and conditions of the staff of the Institute.

Proceedings of Meetings

411. Subject to this Order, the Council may determine its own proceedings.

Meetings to be Public

412. Meetings of Council must be open to the public, but an affirmative vote of not less than two-thirds of the members of the Council present at the meeting may require all or part of a meeting to be closed to the public.

PART 5—POWERS OF COUNCIL**General Powers**

501. Subject to the Act and the directions of the Minister, the Council has the management and control of the Institute.

Educational Programs

502. The Council has the power to:

- (a) Determine the educational programs to be offered by the Institute and conduct each educational program in such manner and in such place or places as it sees fit;
- (b) Validate the academic standard and content of the educational programs conducted by the Institute;
- (c) Accredite at the request of other institutes or authorities educational programs conducted or proposed to be conducted by such institutes or authorities and to charge fees in connection therewith;
- (d) Hold examinations and conduct assessments in the subjects comprising the educational programs conducted by the Institute;
- (e) Confer any prescribed degree which the Council has been empowered to award by Order of the Governor in Council and any prescribed diploma associate diploma, advanced certificate or certificate or other award on any student who attains the required standard in the relevant education program;
- (f) Confer any degree which the Council has been empowered to award by Order of the Governor in Council and any diploma, associate diploma, advanced certificate or certificate or other award on any person *honoris causa* or without examination, and determine the rights and privileges of any such person in connection therewith;
- (g) Determine the number of students to be enrolled in each educational program conducted by the Institute and select students for and exclude students from enrolment or re-enrolment in each such program according to criteria, procedures and conditions which the Council determines;
- (h) Recognise any assessment or educational program conducted by the Institute of any educational program or other relevant attainment in any other educational institution or other appropriate experience;
- (i) Charge fees, or make other charges, for enrolment, and for any examination, assessment, certificate, advanced certificate or other award, and for attendance at classes of study, and for the use of any premises, equipment, facilities or services of the Institute;

- (j) Determine the terms and conditions under which students and any other persons may attend classes or make use of any premises, equipment, facilities or services of the Institute;
- (k) Award scholarships, prizes, exhibitions and grants in aid, on such terms and conditions as it determines;
- (l) Discipline or suspend, or terminate the enrolment of, any student, under such provisions as are prescribed.

Services

503. The Council has the power to:

- (a) Establish, maintain and administer from Institute money, a fund from which loans may be made to students on the terms and conditions it determines, and pay into that fund out of Institute money such amounts as it thinks fit;
- (b) Supply, provide, or assist in the provision of such services as it deems necessary including:
 - (i) canteen, bookshop and printing services,

- (c) For the purpose of clause 503 (b), the Council may create and administer any company, association, partnership, trust, cooperative or joint venture which complies with the conditions set out in clause 505 or 508.

Staff

504. The Council has the power to:

- (a) In relation to positions other than positions in the TAFE Teaching Service:
 - (i) employ, terminate employment, discipline, suspend or dismiss any member of staff of the Institute under the provisions as are prescribed;
 - (ii) define the duties of each member of staff;
 - (iii) determine their terms and conditions of employment, including rates of remuneration, but the terms and conditions must be consistent with any that may be fixed by a tribunal or other authority with relevant jurisdiction;
- (b) Enter into arrangements with the Chairman of the TAFE Board to obtain the services of persons employed in the

- TAFE Teaching Service in accordance with the provisions of the Act;
- (c) Enter into arrangements with the Minister to obtain the services of persons employed under the *Teaching Service Act 1981* to serve as members of the Teaching staff of the Institute;
 - (d) Enter into arrangements with the Public Service Board of Victoria or any other body or authority for the use of officers or employees;
 - (e) With the consent of the member of staff, negotiate arrangements with all relevant parties for secondment of members of staff to other employment, but the terms and conditions of employment during the secondment which relate to leave entitlements and any other accrued benefits must not be inferior to those which would have applied if the member of staff concerned had continued to be employed by the Council and work at the Institute.

Research and Other Activities

505. For the purpose of carrying out the objects of the Institute and the management and control of the Institute, the Council has the power to:

- (a) Engage in, carry on, and support, applied research, investigation and inquiry;
- (b) Enter into any arrangements with any corporation, association, company, government or authority that may directly or indirectly benefit the Institute;
- (c) Obtain from any corporation, association, company, government or authority any rights, privileges and concessions which the Council may think it desirable to obtain, and carry out, exercise and comply with any arrangements, rights privileges and concessions;
- (d) Provide to the community in general, other educational institutions, and to students of the Institute, the services and use of premises, resources or equipment as may from time to time be approved by the Council, and determine the conditions for their use;
- (e) Do all things that appear to the Council necessary, or expedient, for aiding the advancement of learning and fostering the improvement of knowledge and skill, and where necessary, employ staff to work outside Australia for that purpose, on terms and conditions the Council considers appropriate;

- (f) Apply for, purchase, or otherwise acquire, patent rights, copyrights, trademarks, formulas, licences, concessions and other industrial or intellectual property conferring any exclusive or limited right to use, or any secret or other information as to any invention which may seem capable of being used to benefit the Institute, and to use, exercise, develop or grant licences in respect of, or otherwise turn to account, the property rights or information so acquired;
- (g) Register designs, service marks, logos, symbols and titles.

Property and Facilities

506. The Council has the power to:

- (a) Acquire by purchase, grant, bequest or devise, or take on lease, exchange or hire, or otherwise obtain, any real or personal property, and any rights or privileges, and agree to carry out any conditions of such acquisition, grant, bequest, devise, lease, exchange or hire, and create and administer, either solely or jointly, as trustee or custodian, any trust fund or funds in connection therewith;
- (b) Enter into contracts, or otherwise arrange to construct, alter or maintain any buildings, facilities or works which may be necessary or convenient for the purposes of the Institute, and enter into agreements for the supply of any goods or services, or the carrying out of any work, for the Institute;
- (c) Sell, mortgage, lease or dispose of any real or personal property on the terms and conditions it determines, but in the case of sale, mortgage or disposal of real property, only with the consent of the Minister on the advice of the Commission;
- (d) Engage and remunerate professional advisers and consultants of any type including, without limiting the generality thereof, educational or management consultants, architects, engineers and quantity surveyors.

Financial

507. The Council has the power to:

- (a) Borrow money:
 - (i) for the purpose of performing any of its powers, authorities, duties, and functions or for the repayment or partial repayment of any sum previously borrowed; and
 - (ii) on overdraft of current account at any bank or other financial institution

- within the limits and upon the conditions as to security and otherwise as the Governor in Council upon the recommendation of the Treasurer of Victoria may from time to time approve but the Council need not obtain approval from the Governor in Council to obtain overdraft facilities necessary to meet the ordinary day to day operations of the Institute;
- (b) Invest and deal with the money or property of the Institute not immediately required but the power of investment contained in this clause is limited to investments which a trustee is permitted to make under any law of the State of Victoria;
 - (c) Expend funds, but solely for the objects of the Institute, and the management and control of the Institute, and to open, operate and close bank accounts necessary for those purposes.
 - (d) Write off debts owed to the Institute, or remit fees otherwise payable by any person to the Institute;
 - (e) Impose a penalty upon a member of staff or a student of the Institute for breach of any Regulation.

Indemnity

508. The Council has the power to indemnify every Council member and employee of the Institute, out of the assets of the Institute, against all losses or liabilities which they may sustain or incur in relation to the bona fide execution of their duties, other than loss or damage arising from their wilful act, default, neglect or fraud.

Committees of Council

509. The Council has the power to constitute and appoint such committees as it determines, and delegate, subject to the conditions it determines, such of its powers, authorities, duties and functions (other than this power of delegation and the power to make Regulations) to any committee or to any member of staff, but every delegation under this clause is revocable by the Council.

PART 6 REGULATIONS

General Power

601. The Council may make Regulations prescribing or providing for any matter or thing necessary to give effect to this Order, or necessary or expedient for the management and control of the Institute.

Specific Regulations

602. Without limiting the generality of Clause 601, the Regulations may make provision for, or with respect to:

- (a) The good order and control of the Institute, including its premises, services, resources and equipment the property of, or managed by, the Council;
- (b) The access to the Institute grounds of persons and animals, and access for parking and use of vehicles (whether powered or otherwise);

 - (i) accommodation and use of facilities and services;
 - (ii) any examination, degree, diploma, associate diploma, certificate, advanced certificate or other award;
 - (iii) admittance to any classes or lectures;
 - (iv) residential accommodation for students and visitors to the Institute;
 - (v) canteen, bookshop and printing services;
 - (vi) sporting, recreation, child care, counselling, health, and transport services;
 - (vii) clubs, societies, and staff and student amenities;
 - (viii) reports, publications, and any other documentation, services or facilities, prepared or provided by or for the Institute;
- (g) The manner and time of convening meetings of the Council;
- (h) The association or affiliation of the Institute with any educational institution;
- (i) The manner of conducting elections for elected members of Council;
- (j) The making of loans from the Student Loan Fund, the number of loans to be made in each year, the terms and conditions of loans, including the interest payable thereon, and the manner of repayment;

- (k) The terms of appointment, tenure of office, powers and duties of committees established by the Council;
- (l) Generally prescribing or providing for any matter or thing authorised, or directed to be prescribed, or provided for by this Order, or necessary or expedient to be prescribed or provided for the good management of the Institute.

How Regulations Made

603. All regulations, amendments or revocations made by the Council under this Order must be passed by an affirmative vote of at least two-thirds of the members of the Council present, and must be in writing sealed with the common seal of the Council.

Promulgation

604. All regulations, amendments or revocations thereof, must be promulgated by display by the Council on the notice board designated by the Council as the Official Notice Board.

Time of Operation

605. All regulations, amendments and revocations thereof, do not become operative until they have been displayed on the Official Notice Board for a period of five days, or a later date fixed by Council, and must continue to be so displayed for a further period of not less than sixteen days after becoming operative.

PART 7—DUTIES OF COUNCIL

Objects of the Institute

701. The Council must carry out the objects of the Institute namely:

- (a) to provide post-secondary education on one or more campuses;
- (b) to advance the quality and availability of education and training in accordance with the needs of the community and to serve the requirements of post-secondary education;
- (c) to train and retrain persons for any occupation or activity in commerce, industry, education or elsewhere as the Council may from time to time think appropriate;
- (d) to provide post-secondary educational programmes and experience with particular reference to the needs of the Albury-Wodonga Region;
- (e) to conduct, support, plan and develop, by itself or in consultation with other institutes, research into and the development of co-ordinated post-secondary education, with particular

- relevance to the needs of the Albury-Wodonga Region;
- (f) to carry out the directions of the Minister in relation to the coordination of post-secondary education in the Albury-Wodonga Region;
- (g) to provide to members of the community such other services related to education and training as the Council may deem appropriate;
- (h) to foster the general development and welfare of the students and staff of the Institute;
- (i) to make available to government, industry, commerce, public utilities and the community in general, the post-secondary education expertise, equipment and facilities of the Institute, to the extent and in the manner the Council thinks appropriate.

The Director

702. The Council must appoint, on such terms and conditions and for such period as it may determine, a person to be the Director of the Institute, to exercise such powers and duties as it may from time to time confer or impose, including, unless otherwise provided by this Order, the Regulations or resolution of the Council, the power to delegate any of the Director's powers and duties, except the power of delegation, to any person or committee of persons.

The Academic Board

703. (a) The Council must constitute and appoint a Board to provide advice to the Council on educational matters to be known as the Academic Board, or such other name as the Council determines.

(b) The Board must:

- (i) consist of a majority of members who are elected members, and include teaching staff, general staff and students; and
- (ii) include as ex-officio members the Director and the President of Council, and such other members, not exceeding one-third of the total membership of the Board, as the Council shall determine; and
- (iii) have its Chairperson annually elected from amongst the members of the Board.

Membership Committee

704. (a) The Council must constitute and appoint a Membership Committee to *inter alia* make recommendations to the Council on members to be appointed to the Council and carry out other functions determined by the Council.

(b) The Membership Committee must consist of the following members of Council:

- (i) President or Council
- (ii) Director
- (iii) One member of teaching staff
- (iv) One member of general staff
- (v) One student member
- (vi) Three members other than staff or students.

(c) The Chairperson of the Membership Committee must be the President of Council.

Tenders

(a) The Council must invite tenders in respect of agreements for supply of any goods or services, or the performance of any contractual works for the Institute, where the cost of such goods services or contractual works is estimated by the Council to exceed \$50 000, by publishing an advertisement inviting tenders in a newspaper circulating generally throughout the State of Victoria.

(b) The Council need not invite tenders if—

- (i) an agreement relates to the engagement of architects, consultants or professional advisers whose charges are normally made at the rates fixed and published by statutory bodies, or professional associations; or
- (ii) goods and services are supplied by statutory bodies, or are available from one source of supply only.

(c) In the case of building work the Council may, as a prerequisite to tenders, invite tenderers to register by publishing an advertisement in a newspaper circulating generally through the State of Victoria.

General Duties

706. The Council must:

- (a) Maintain in a manner determined by Council a roll of names of persons upon whom it has conferred awards;
- (b) Apply all fees, grants and all other moneys received by or on behalf of the Institute under the provisions of this Order or otherwise, solely for the objects of the Institute;
- (c) Specify purposes for which any moneys made available by the Council to any organisation of students, or of students and other persons for the provision of facilities, amenities or services that are not of an academic nature, may be spent, and set conditions under which such moneys may be made available;

(d) Establish, and keep or cause to be kept, full and complete books and accounts of all moneys received and paid by the Institute, and arrange for an audit of income and expenditure of the Institute in accordance with the provisions of section 27 of the Act;

(e) As soon as practicable after 31 March in each year report the proceedings of the Institute and the audited accounts for the year ended on 31 December then last past, to the Minister and the Commission;

(f) Keep, or cause to be kept, a proper record of the proceedings of the Council;

(g) Conduct a periodic review of the academic and other standards of courses of study offered, to ensure that the courses of study continue to be appropriate to the degree, diploma, associate diploma, advanced certificate or certificate or other award to which they lead, and to recommend their continued accreditation or otherwise to appropriate State and Commonwealth authorities;

(h) Establish proper procedures to ensure that the academic and other standards of any proposed course of study are appropriate to the degree, diploma, associate diploma, advanced certificate or certificate or other award to which the course of study leads, and to accredit approved courses of study or recommend accreditation to the appropriate State or Commonwealth authorities;

(i) Provide evidence by a document in the form prescribed of the conferring of any degree or diploma, associate diploma, advanced certificate, certificate or other award;

(j) Carry out the functions delegated to it by the TAFE Board or its Chairman under Section 54 of the Act, subject to the conditions of such delegation;

(k) Specify purposes for which any moneys made available by the Council to any organisation of students, or of students and other persons, for the provision of facilities, amenities or services that are not of an academic nature may be spent, and set conditions under which the moneys may be available;

(l) Keep, or cause to be kept, a proper record of the proceedings of the Council;

(m) Conduct a periodic review of the standards of courses of study offered, to ensure that the courses of study continue to be appropriate to the diploma, associate

diploma, certificate, advanced certificate, award or other qualification to which they lead, and to recommend their continued accreditation or otherwise to appropriate State and Commonwealth authorities;

- (n) Do all things as the Council is able to do in order to render the Council eligible to receive grants under any law of the Commonwealth of Australia, or of any State or Territory thereof, or from any other source providing grants to educational institutions, whether for the purpose of education, research or otherwise;
- (o) Provide for the safe custody of the common seal, which must be used by authority of, and in a manner determined by, the Council, and every instrument to which the common seal is affixed must be signed by a member of the Council and countersigned by the Secretary (if any) to the Council, or by some other person appointed by the Council for that purpose.

PART 8 ANNUAL REPORT

Requirement for Annual Report

801. As soon as practicable after 31 March in each year, the Council must prepare and submit to the Minister and the Commission an annual report of the Institute for the year ended on 31 December last.

Contents of Annual Report

802. The annual report of the Institute must:

- (a) include a copy of the accounts of any company, association, partnership, trust or cooperative which the Council has formed, or is a member of, or participates in, or has entered into, under clauses 505 or 508; and
- (b) Comply with the reporting provisions of the *Annual Report Act 1983*, and regulations and determinations under the Act or similar legislation; and
- (c) Comply with directions issued from time to time by the Commission for annual reports of post-secondary education institutions; and
- (d) list all benefits in cash or otherwise paid or made to staff or Council members of the Institute by any entity in which the Council has an interest under clauses 505 or 508; and
- (e) be available to the public on request at a reasonable charge.

REVOCATION OF ORDERS IN COUNCIL FOR ACQUISITION OF LAND IN THE MORWELL AREA

The Governor in Council under sections 23 (1) and 103 (1) of the *State Electricity Commission Act 1958* revokes the Orders in Council previously obtained for the acquisition of land in the following areas:

- Parish of Maryvale—LP 11865 Lots 22 and 23
LP 64939 Lots 2 and 3
LP 98796 Lot 4
LP 99865 Lots 16 and 19
LP 111605 Lots 12 and 13
(Gazette No. 102—15.11.78)
- Parish of Narracan—that area shown hatched on attachment 1 (Gazette No. 70—20.8.86).
- Parish of Maryvale—that area shown hatched on attachment 2 (Gazette No. 28—24.3.82).
- Parish of Hazelwood—Crown allotment 5B, section A, together with that area shown hatched on attachment 3 (Gazette No. 28—24.3.82).

Dated 20 October 1987

Responsible Minister:

R. C. FORDHAM,

Minister for Industry, Technology and Resources

GORDON TIPPETT

Acting Clerk of the Executive Council

State Electricity Commission Act 1958

APPROVAL OF ELECTRICAL EQUIPMENT:

APPLIANCES TO BE SUBMITTED FOR APPROVAL:

PRESCRIBING ORDER

The Governor in Council under section 51 of the *State Electricity Commission Act 1958* on the recommendation of the State Electricity Commission of Victoria declares the following class, description and type of electrical equipment to be prescribed electrical equipment from 1987:

APPLIANCE PLUG

An appliance plug being a device intended for attachment to the end of a flexible cord for the purpose of making detachable connections between the conductors of such cord and the pins or other contacts of electrical appliances and apparatus.

AUTOMOTIVE TYPE BATTERY CHARGER

An automotive type battery charger being a fixed or portable self-contained battery charger incorporating a component transformer and rectifier, having an input rating not exceeding 2.5 kVA, an open circuit output voltage not exceeding 50 volts, d.c., and intended primarily for charging automotive type batteries.

BATTERY CHARGER SAVER

A self-contained unit of electrical equipment which—

- (a) is intended primarily for household use;
- (b) is intended for connection on the input side to a low voltage supply;
- (c) has an input rating not exceeding 1 kVA; and
- (d) the primary purpose of which is to charge batteries—

but does not include a battery charger saver specifically intended for use in or associated with mains operated electronic, computer, or related equipment for household and similar general use, provided that the connecting device restricts the use of the battery charger to the equipment for which it is designed and there are no accessible extra low voltage output contacts on the connecting device or on the equipment with which it is intended to be used when the unit is energised.

BAYONET CAP LAMPHOLDER

A device for use in low voltage circuits intended to accommodate a lamp having a bayonet cap of 15 mm or 22 mm nominal diameter.

BAYONET LAMPHOLDER ADAPTOR

A connecting device capable of being inserted into a lampholder of the B22 bayonet type and either suitable for connection to a flexible cord or incorporating one or more lampholders with or without switches.

CORD EXTENSION SOCKET

A cord extension socket being a device arranged for attachment to a flexible cord and having contacts whereby a detachable connection may be made with the pins of a plug (a plug being a device having pins and intended by their

insertion in a socket to make a detachable connection between the contacts of such socket and the conductors of a flexible cord).

DECORATIVE LIGHTING OUTFIT

An electrically interconnected set of lamps or lampholders intended for connection to a low voltage supply and designed to be used for decorative or display purposes, with or without a control device.

The term shall not include festoon lighting of the type described in AS 3000—SAA Wiring Rules.

EARTH LEAKAGE CIRCUIT BREAKER

An earth leakage circuit breaker being a switch rated at not more than 50 amperes, intended to open a low or medium pressure circuit automatically when a predetermined electrical pressure is applied between terminals of the switch, which are provided for connection respectively to the exposed metal of an installation and an earthing electrode.

EDISON SCREW LAMPHOLDER

A device for use in low voltage circuits intended to accommodate a lamp having an edison screw cap of either 14 mm or 27 mm nominal outside diameter.

ELECTRIC BLANKET

An electric blanket being a flexible electric heating appliance for operation at low or extra low voltage and primarily intended for the general application of heat to a bed and having a projected surface area exceeding 0.6 m², such surface area being the projected area (projected on to a horizontal plane on which the blanket is laid out flat) of that portion of the blanket containing the heating element; it shall not include the area of any marginal hems or flaps surrounding the portion in which the heating element is contained.

ELECTRIC BREAD TOASTER

An electric bread toaster being an electric appliance primarily for toasting bread or similar foods, for operation at low voltage and having a rating not exceeding 2000 watts.

CORD LINE SWITCH

A cord line switch being a switch intended for connection in a flexible cord, including switches for the control of current or temperature of equipment, but not including switches connected at the end of a flexible cord, such as pendant switches or bell pushes.

ELECTRIC CLOTHES DRYER

An electric clothes dryer being an electrical appliance for operation at low or medium voltage intended primarily for household use and for drying water-washed household textile materials.

ELECTRIC DISHWASHING MACHINE

An electric dishwashing machine being an electrical appliance for operation at low or medium voltage intended primarily for household use and for the washing of eating and cooking utensils.

ELECTRIC FAN

An electric fan being an electrical appliance designed for operation at low voltage single phase supply, and intended primarily for household use for the purpose of moving air in the immediate vicinity. The term shall include ventilating fans and fans suitable for desk, table, wall, floor or ceiling mounting, together with ancillary equipment such as speed regulators, whether incorporated in or detached from the fan motor assembly, but shall not include—

- (i) evaporative type coolers; or
- (ii) fans incorporated in or associated with refrigerated type air conditioner units; or
- (iii) fans incorporated in room heating appliances; or
- (iv) fans incorporated in ducted ventilating systems.

ELECTRIC FENCE ENERGISER

An electrical appliance designed for operation at low or medium voltage and intended to regulate and control the supply or electrical energy to an electric fence.

ELECTRIC FLOOR POLISHER

An electric floor polisher being a portable appliance designed for operation at low voltage and which, by the operation of pads, brushes, or other suitable means, may be used for polishing or scrubbing floors, but not including any such appliance having a maximum loading exceeding 1000 watts.

ELECTRIC FOOD PREPARATION MACHINE

An electric food preparation machine being an electrical appliance either fixed or portable intended for household use and operation at low voltage but not exceeding 500 watts input rating which by the operation of beaters, rotating blades or other means, is intended or may be used for the preparation of solid or liquid foods by mixing, beating, blending, mincing, grinding, slicing, shredding or the extraction of juices.

ELECTRIC GRILLER

An electric griller being a heating appliance, the nominal rating of which does not exceed 15 amperes, and which is intended or may be used for heating or grilling food or for heating cooking utensils or other utensils standing on the appliance, but not including any such appliance which incorporates a cooking compartment fitted

with a heating unit or units provided solely for heating the cooking compartment.

ELECTRIC HAIR CARE APPLIANCE

An electric hair care appliance being an electrical appliance primarily intended for household use and designed for operation at low voltage for drying and/or styling human hair by heating, heated air, steam, spray or any combination thereof. The term shall include hair dryers, curling irons, curling wands, curling combs, curling brushes and hair rolling heating units.

ELECTRIC HAIR CLIPPER

An electric hair clipper being a device operating at low voltage and incorporating an electric motor or vibrating mechanism actuating cutters intended for cutting or trimming human hair but not including electric razors.

ELECTRIC INSPECTION HANDLAMP

A fitting designed for operation at low voltage, which accepts an incandescent or discharge lamp intended primarily for inspection purposes, but not including a handlamp which is designed for operation at extra low voltage and is clearly and indelibly marked with the operating voltage.

ELECTRIC IRON

An electric iron being a portable appliance intended primarily for household use, incorporating an electric heating unit, for smoothing and/or pressing fabric.

ELECTRIC JUG

An electric jug being a portable vessel intended primarily for household use in which is incorporated a bare electric heating element, a sheathed type electric heating element or electrodes, and which has a body of non-metallic material.

ELECTRIC KETTLE OR ELECTRIC SAUCEPAN

An electric kettle or electric saucepan being a portable vessel intended primarily for household use in which is incorporated an electric heating element for heating liquids. The term "electric kettle or electric saucepan" shall include electric urns and urn type percolators up to a capacity of 4.5 litres, coffee percolators, teapots and pressure cookers. The term shall not include electric jugs with non-metallic bodies.

ELECTRIC LAWNMOWER

An electric lawnmower means an electrical appliance which—

- (a) is intended primarily for household use;
- (b) incorporates an electric motor to operate cutters, blades or other similar devices;

(c) is designed to operate at low or medium voltage for cutting lawn or grass; and

(d) in normal use may be entirely supported or guided, or both supported and guided, by the operator.

ELECTRIC MICROWAVE OVEN

An electric microwave oven being an appliance intended for operation at low or medium voltage designed to apply heat to food or liquids in a chamber by means of high frequency electromagnetic radiation but not including microwave heating equipment specially designed for industrial application.

ELECTRICAL PORTABLE OUTLET DEVICE

A device having a single facility for connection to a low voltage supply by means of an appliance inlet socket or a supply flexible cord with or without cord reeling or coiling arrangements and incorporating one or more plug socket outlets.

The term shall include such devices which—

(a) are provided with a means of fixing the device in position;

(b) incorporate one or more lamps.

The term shall not include—

(c) a cord extension set;

(d) a plug socket adaptor;

(e) a portable switching or control device.

ELECTRIC RANGE

An electric range being an electric cooking appliance suitable for operation at low or medium voltage and intended for household use, comprising one or more cooking compartments fitted with one or more heating units provided for heating the compartment.

The term "electric range" includes a cooking hob fitted with one or more heating units which are intended or may be used to heat a cooking vessel or vessels standing thereon, or any combination of one or more such cooking compartments and one or more such cooking hobs. The term does not include any equipment which employs high frequency radiated energy for heating or cooking.

ELECTRIC RANGE HOOD

An appliance incorporating electrical equipment such as fans, lamps and controls, designed for operation at low voltage and intended primarily for household use for the collection or filtering of air from above a cooking appliance.

ELECTRIC RAZOR

An electric razor being an appliance intended for connection to supply mains and incorporating an electric motor or vibrating mechanism

actuating cutters intended for shaving facial or body human hair.

ELECTRIC REFRIGERATOR OR FREEZER

An electric refrigerator or freezer or combination refrigerator freezer being an electrical appliance for operation at low voltage intended primarily for household use for the storage and cooling of food.

ELECTRIC ROOM HEATER

An electric room heater being an electrical appliance primarily intended for household use and incorporating a heating unit intended for heating the atmosphere in its immediate vicinity by the emission of heat by radiation, by convection or by forced circulation of heated air, or any combination thereof but not including—

(a) an air conditioning appliance incorporating a refrigeration device with a condensing unit with or without heating units; or

(b) a heating system which is intended to heat the atmosphere of a room primarily by raising the temperature of any floor, wall or ceiling area; or

(c) an undercarpet heating system; or

(d) a special appliance which is solely used for the application of heat to specific materials or substances.

ELECTRIC SEWING MACHINE

An electric sewing machine being an electrically-operated appliance designed for stitching fabric or plastic materials and the like and for operation at low voltage and intended primarily for household use. The term shall also include any conversion kit intended for converting a manually-operated machine to an electrically-operated domestic sewing machine.

ELECTRIC SOLDERING IRON

A hand tool designed for operation at low voltage, part of which is heated by means of an electric heating unit contained within the tool for the application or removal of solder.

ELECTRIC WASHING MACHINE

An electrical appliance, other than an electric washboiler, for operation at low or medium voltage, designed for household use and intended for washing clothing, household fabrics and the like and which may incorporate means for partially drying the wash load including a washing machine similar to a household type which may include a facility for coin operation or keying to restrict access, and which is to be used by the public in communal laundries and laundrettes.

ELECTRICALLY OPERATED PROJECTOR

An electrically operated projector being an electrical appliance for operation at low voltage intended primarily for household and/or educational use and designed for projecting an image of a photographic slide, picture or moving film on a screen. The term shall include viewers and editors which project an image but shall not include microfilm readers and combination reader/printers.

EXTRA LOW VOLTAGE POWER SUPPLY UNIT

A self-contained unit of electrical equipment which—

- (a) is intended primarily for household use;
- (b) has an input rating not exceeding 1 kVA;
- (c) is designed to provide an extra low voltage supply to external appliances and equipment; and
- (d) is intended for connection on the input side to a low voltage supply—

but does not include extra low voltage power supply units specifically intended for use in or associated with mains operated electronic, computer, or related equipment for household and similar general use, provided that the connecting device restricts the use of the extra low voltage power supply unit to the equipment for which it is designed and there are no accessible extra low voltage output contacts on the connecting device or on the equipment with which it is intended to be used when the unit is energised.

FLEXIBLE ELECTRIC HEATING PAD

A flexible electric heating pad being an appliance in the form of a pad which is heated by means of an electric heating element contained within a flexible enclosure or envelope, the surface heating area of which does not exceed 0.6m², such surface heating area being the projected area (projected on to a horizontal plane on which the pad is laid out flat) of the portion of a pad into which the heating element is built; it shall not include the area of any marginal hems or flaps surrounding the portion into which the heating element is built.

FLUORESCENT LAMP BALLAST

Any device intended for use in a luminaire or portable lighting fitting, designed to control the magnitude of the current flowing through the discharge path or electrodes of a hot cathode fluorescent lamp or lamps or a cold starting fluorescent lamp or lamps of the single pin cap

type and including any capacitor incorporated in or supplied as part of the ballast but not including—

- (a) ballasts which are specifically intended for use in luminaires certified for compliance with the requirements for electrical equipment with increased safety type of protection (Ex e) for use in hazardous locations;
- (b) ballasts incorporated in electro-medical equipment as defined in AS 3200;
- (c) ballasts incorporated in ultra-violet sterilisers; and
- (d) ballasts incorporated in equipment, sealed in a manner such that replacement by the user is not intended.

INSECT ELECTROCUTOR

An electrical appliance designed for operation at low voltage and intended to provide a secondary voltage generated by a transformer or other means for the destruction of insects.

MINIATURE OVERCURRENT CIRCUIT BREAKER

An enclosed air break switch which—

- (a) is intended for opening a low or medium voltage circuit automatically under pre-determined conditions of overcurrent; and
- (b) has as its main function the prevention of continued overloading of wiring of an electrical installation; and
- (c) has a nominal rating not exceeding 100 amperes and has—
 - (i) a current breaking capacity up to but not including 10 kA; and/or
 - (ii) a projected panel mounting area not exceeding 4000 mm² per pole.

The term shall include Miniature Overcurrent Circuit Breakers as defined, fitted with or incorporating a current operated core balance earth leakage relay or auxiliary contact.

Any additional projected area of the composite device over and above that occupied by the Miniature Overcurrent Circuit Breaker alone is disregarded for the purpose of this definition.

The term shall not include Miniature Overcurrent Circuit Breakers as defined which are intended and marked as only for use in industrial applications where the circuit breaker is under the control of persons having an appropriate level of electro-technical training and where exemption has been granted by the Regulatory Authority.

NON-FLEXIBLE ELECTRIC BED WARMER

A non-flexible bed warmer being an appliance which is designed to be heated by means of an electric heating element enclosed in a rigid container and which is intended or may be used to heat a bed in which it is placed.

PLUG SOCKET

A plug socket being a device for fixing at a point at which the fixed wiring of an installation terminates and having contacts intended for making detachable connection with the pins of a plug.

PLUG SOCKET ADAPTOR

A plug socket adaptor being a single or multiple connecting device (other than a plug) for insertion into a plug socket.

PLUG

A plug being a device having pins intended for insertion in a plug socket to make a detachable connection between the contacts of such socket and the conductors of a flexible cord or cable.

PORTABLE ELECTRIC ARC WELDING MACHINE

A portable electric arc welding machine being a welding machine of the transformer type having a short circuit rating not exceeding 15 kVA, which can be easily moved from one place to another whilst connected to supply, is designed for operation at low or medium voltage and is intended for connection to supply by flexible cord and plug. The term shall not include any portable electric arc welding machine designed solely for gas shielded electric arc welding.

PORTABLE ELECTRIC DRILL

A portable electric drill being an electric hand tool, incorporating an electric motor designed for operation at low voltage, intended primarily to cause the rotation of a chuck or a similar device, capable of accommodating drills not exceeding 13 millimetres shank diameter and which in normal use may be supported and or guided by the operator. The term shall include portable electric drills which have a supplementary percussion action.

PORTABLE ELECTRIC GRINDER, SANDER, POLISHER, PLANER OR ROUTER

A portable electric grinder, sander, polisher, planer or router being an electric hand tool,

incorporating an electric motor designed for operation at low voltage, which in normal use may be entirely supported and/or guided by the operator and intended for use as a grinder, sander, polisher, planer or router or a combination thereof.

PORTABLE ELECTRIC HEDGE CUTTER

A portable electric hedge cutter being an electric hand tool incorporating an electric motor designed for operation at low voltage, which in normal use may be entirely supported and/or guided by the operator and intended for the trimming of hedges.

PORTABLE ELECTRIC RANGE

A portable electric range being an electric cooking appliance, the normal rating of which does not exceed 10 amperes, and comprising a cooking compartment fitted with at least one heating unit provided solely for heating the compartment, and with or without one or more heating units which are intended or may be used to heat a cooking vessel or vessels standing thereon.

PORTABLE ELECTRIC SAW

A portable electric saw being an electric hand tool incorporating an electric motor designed for operation at low voltage, which in normal use may be entirely supported and/or guided by the operator and intended for use as a saw.

PORTABLE ELECTRIC VACUUM CLEANER

An electrical appliance which—

- (a) is intended primarily for household use;
- (b) incorporates an electric motor;
- (c) is designed to operate at low voltage and by causing the movement of air, to remove dust and associated foreign matter by suction, with or without the assistance of driven brushes, beaters or similar devices; and
- (d) in normal use may be entirely supported or guided, or both supported and guided, by the operator.

PORTABLE IMMERSION HEATER

A portable immersion heater being a portable electrical appliance intended primarily for household use designed for connection by means of a flexible cord and intended for heating liquid in which it may be immersed. The term immersion heater shall not include electric jugs,

or other vessels incorporating permanently fixed heating elements or any heating element intended for permanent fixing in such vessels.

PORTABLE LIGHTING FITTING

An electrical fitting which—

- (a) is intended for illuminating, decorative or advertising purposes;
- (b) is intended for connection by means of a flexible cord;
- (c) is not intended to be permanently fixed in position;
- (d) may be placed on a horizontal surface or attached by spring clamp or other similar means to any vertical or inclined surface; and
- (e) includes hand held units intended for photographic or video filming purposes— but does not include a portable lighting fitting of wood, glass, ceramic, marble, thermosetting insulating material or the like or thermoplastic material which may support the lampholder and does not enclose the lamp; and—
 - (i) is provided with only one approved all insulated lampholder;
 - (ii) has no exposed metal;
 - (iii) is fitted with an approved flexible cord wired directly to the lampholder; and
 - (iv) has no switch other than that which may be in the lampholder or a cord line switch.

PORTABLE SWITCHING OR CONTROL DEVICE

A portable switching or control device being a self-contained unit having facilities for connection to a plug socket and being suitable for use at low voltage and for controlling currents not in excess of 20 amperes, incorporating an energy regulator or other control device which automatically controls the electrical energy input to electrical apparatus.

PRESSURE STORAGE WATER HEATER

A pressure storage water heater being an unvented water heater incorporating an electric heating unit or units for operation at low or medium voltage and intended for the heating and storage of water at a pressure equivalent to more than 21 kilopascals in a container of capacity not less than 4.5 litres or more the 680 litres, but not including pressure storage water heaters specially designed for industrial application, electric steam generators or electric sterilisers.

SUPPLY FLEXIBLE CORD

An unscreened flexible cord for use at low voltage consisting of two or three elastomer or PVC insulated cores of multi-wire construction in which the conductor cross-sectional area does not exceed 2.5mm² and except for tinsel cords the individual wire strand does not exceed 0.21 mm diameter for conductor sizes up to 1 mm² or 0.26 mm diameter for conductor sizes exceeding 1 mm² with or without sheathing of elastomer or PVC or braiding of textile material.

WALL SWITCH

A wall switch being a switch, whether single-pole, double-pole, two-way or intermediate, which is designed for surface, flush or semi-flush mounting on some part of a building, structure, or switchboard, and by means of which a circuit can be opened and closed by the direct manual operation of a dolly (lever), a turn button, or a press button, but not including—

- (a) ceiling pull switches;
- (b) switches for attachment to or insertion in flexible cords;
- (c) switches specially designed for and incorporated in appliances;
- (d) momentary on or momentary off press button switches;
- (e) automatic or electrically-operated switches;
- (f) door contact switches; and
- (g) switches of a type which normally are used otherwise than as wall switches, and which the Commission acknowledges to be outside the ordinary trade designation of wall switch.

Provided always that this order does not apply to—

Insect electrocutors—
before 1 February 1988.

Provided always further this order does not apply to—

- (1) Battery chargers of the transformerless type;
- (2) Bayonet cap lampholders intended to accommodate a lamp having a bayonet cap of 15 mm nominal diameter;
- (3) Decorative lighting outfits which are fitted with or incorporate lamps not connected via a lampholder;
- (4) Edison screw lampholders
- (5) Electric fence energisers—

before 1 February 1988.

The State Electricity Commission Electrical Approvals Board—Approval of Equipment (Prescribing Order) Order 1981 and the State Electricity Commission Electrical Approvals—Approval of Equipment (Prescribing Order) Order 1985 are hereby revoked.

This Order may be cited as the State Electricity Commission Electrical Approvals—Approval of Equipment (Prescribing Order) Order 1987.

CITY OF BOX HILL

Notice of Road Discontinuance

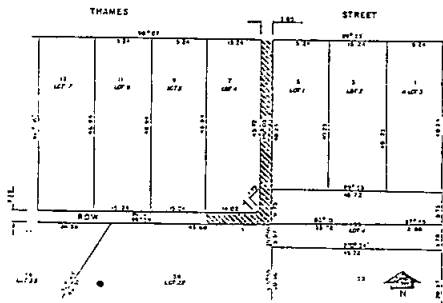

Pursuant to Paragraph 528 (2) (a) of the *Local Government Act 1958*

The Council of the City of Box Hill at its meeting on 1 June 1987 made the following resolution:

1. The Council, being of the opinion that the road (between No. 5 and No. 7 Thames Street and the rear of No. 7 Thames Street) delineated and hatched on plan hereunder being Part of Subdivision No. 1878 and Crown Allotment No. 16 is not reasonably required as a road for public use, hereby directs that the Road be discontinued and sold by private treaty.

2. Notwithstanding the discontinuance of the Road the Melbourne and Metropolitan Board of Works and the Council shall continue, and where necessary, shall be deemed to have continued to have and possess the same right, title, power and authority or interest in or in relation to the Road

or any part of the Road with respect to or in connection with any drains and pipes laid or erected in, on or over the Road or part of the Road for the purpose of drainage and sewerage or other like purpose as existed prior to the discontinuance of the Road in accordance with paragraph 528 (2) (e) of the Act.

Local Government Act 1958
CITY OF BRIGHTON

Road Discontinuance Resolution

Whereas it is provided in section 528 (2) of the above Act (as amended) that where a road whether or not a public highway (but not being required as a road for public use) the Council of the municipality in which such road is situated may not less than one month after publishing a public notice in a newspaper generally circulated in the municipal district and giving written notice to the registered proprietor (if any) of any land abutting or immediately adjacent to the road of its intention to make a Resolution discontinuing such road or part thereof may by Resolution published in the *Government Gazette* direct that such road or part of the road shall be discontinued accordingly:

And whereas the Council of the above municipality hereby resolves that the right of way at the rear of 41-45 Drake Street and 48 Head Street, be discontinued and not less than one month previously has published a public notice in a newspaper generally circulated in the municipal district and has given written notice to the last registered owner of the land in the roads and to the owners and occupiers of land abutting or immediately adjacent to the right of way of its objections received within 14 days of the publication of the public notice aforesaid:

HARWOOD ST.

Now therefore the Council of the City of Brighton hereby directs:

- (a) That the section of the right of way shown hatched on the enclosed plan herewith shall be discontinued upon publication of this Resolution in the *Government Gazette*.
- (b) That the land in the said roads shall vest in the municipality to be retained by it until it is sold by private treaty.

The purpose of the amendment is to re-zone approximately 1170 ha. from Rural to Rural Conservation A. This zoning will introduce a tenement control which will cater for the subdivision of land and erection of houses at a density of 1 lot per 10 ha.

A copy of the Amendment has been deposited at the Shire Offices, 9 Smith Street, Leongatha, Ministry for Planning and Environment, 33-39 High Street, Cranbourne and at The Olderfleet Buildings, 477 Collins Street, Melbourne, and will be open for inspection during office hours by any person free of charge.

Any persons affected by the Amendment are required to set forth in writing any submission they may wish to make with respect to the Amendment addressed to the Shire Secretary by 23 November 1987 and state whether they wish to be heard in respect of their submission.
