Police Regulation Act 1958
VICTORIA POLICE FORCE

Determination No. 484 of the Police Service Board

The Police Service Board, in pursuance of the powers in that behalf conferred by the *Police Regulation Act 1958*, hereby makes the following Determination (that is to say):

1. The Determination No. 179 of the Police Service Board of 14 December 1971, and published in the *Government Gazette* of 25 January 1972, as amended, is hereby further amended as follows:

1.2 By deleting paragraphs 62 and 63 and substituting therefor the following new paragraphs 62 and 63:

Sub-division X

EXPENSES ASSOCIATED WITH APPOINTMENT OR TRANSFER

62. A member who by reason of a transfer from one position to another position and who in the opinion of the Chief Commissioner is reasonably required to change an ordinary place of residence shall be reimbursed—

- (a) the actual reasonable and necessary costs of conveyance of such member, the member's substantially dependent spouse and/or substantially dependent children;
- (b) the actual reasonable and necessary costs of conveyance of furniture and personal effects, including the cost of comprehensive insurance cover for such furniture and effects whilst in transit, up to a maximum cover of \$37 500;
- (c) where the chief Commissioner is satisfied that a member, who is eligible to receive reimbursement under sub-paragraph (b) of this paragraph, has suffered loss through accelerated depreciation and extra wear and tear on furniture and effects and/or has incurred cost in replacing or altering carpets, linoleum, curtains and blinds as a result of removal;
 - (i) an amount of \$230; or
 - (ii) an amount of \$485 where the member has a substantially dependent spouse or substantially dependent children.

Provided that where the Police Service Board is satisfied that the amount of \$230 or \$485 (as the case may be) is not sufficient compensation for the loss and/or costs incurred by a member, the Board may allow such further reasonable amount as it thinks fit in the circumstances.

- (d) the following costs subject to the provisions of paragraph 62A associated with:
 - (i) sale of the residence in which the member ordinarily resided immediately prior to notification in the *Police Gazette* of the transfer of such member to the member's new position—
 - professional costs and disbursements paid to a solicitor;
 - the commission paid to an estate agent, or reasonable advertising charges where no agent is engaged;
 - other reasonable costs (including stamp duty and registration fees on discharge of mortgages); and
 - (ii) purchase of a residence for the permanent occupation of such member at the new location—
 - professional costs and disbursements paid to a solicitor;
 - other reasonable costs (including stamp duty and registration fees on the transfer and any mortgages, valuation fees but not a procurator fee associated with a mortgage).

Provided that where the spouse of a member receives or is entitled to receive some form of allowance for costs or losses as described in sub-paragraph (a), (b), (c) or (d) of this paragraph, the member may be reimbursed a reduced amount for such costs or losses as granted by the Chief Commissioner.

Provided that any member who has been required by the Ministry of Housing to vacate its residence shall be covered by the provisions of this paragraph as if such member was a member transferred from one position to another.

Provided that a member who is aggrieved by any opinion of the Chief Commissioner that such member has not been so reasonably required to change an ordinary place of residence may request the Police Service Board to review any such opinion so formed by the Chief Commissioner.

62A. Reimbursement under paragraph 62 (d) shall be subject to the production of evidence of the transactions which is satisfactory to the Chief Commissioner that all amounts are necessarily based on the relevant authorised scale of fees up to a maximum reimbursement of the fees specified for:

- (a) the sale and purchase of properties at prices not in excess of \$98 000 (excluding the value of chattels) in each case; and
- (b) a first mortgage not in excess of \$58 800.

Provided that, unless the Police Service Board is of the opinion that special circumstances exist—

- (i) the member sells the residence occupied by that member when serving in the former position within the period commencing on the date of the notification in the *Police Gazette* of the transfer to the new position and ending on the day 2 years after the date of such notification or sells such a residence after the expiration of that period pursuant to a contract of sale entered into within that period; and
- (ii) in respect of costs associated with the purchase of a residence, the member has become entitled to reimbursement of costs in accordance with paragraph 62 (d) (i) and has within the period commencing on the date of the notification in the *Police Gazette* of the transfer to the new position and ending on a day 4 years after that date—
 - (a) become the owner of a residence at the new location and that residence has become the residence in which the member will ordinarily reside; or
 - (b) entered into a contract within the period to purchase a residence at the new location with the intention to ordinarily reside in it and, after the expiration of the period, becomes the owner of the residence; and
- (iii) where a member, being a member who would, upon purchasing a residence, be entitled to reimbursement of costs under paragraph 62 (d) (ii) and who has not so purchased a residence, is transferred from a new position to another position before the expiration of the relevant period for purchase applicable to the first-mentioned position, the relevant period for purchase in relation to the second-mentioned position shall commence on the day on which the relevant period for purchase in relation to the first-mentioned position commenced and shall be extended by a period equal to the period commencing on that day and ending on the day on which the member commenced duty in the second-mentioned position; and
- (iv) where a member, being a member who did not, immediately before the date of the notification in the *Police Gazette* of a transfer to the new position ordinarily reside in a residence owned by the member had before that date—
 - (a) contracted to purchase as residence in which the member intended to reside; or
 - (b) contracted to build a residence or commenced to build a residence, being a residence in which the member intended to reside;

then paragraph 62 (d) (i) applies in relation to that member as if that member had owned that residence and had been ordinarily residing in it immediately before the date of such notification; and

- (v) where a member who is entitled to reimbursement of costs in accordance with paragraph 62 (d) (i)—
 - (a) has, before the expiration of the relevant period of purchase, contracted to build a residence in which the member intends to reside after taking up a new position on land of which the member has become the owner; or
 - (b) commences, before the expiration of the relevant period for purchase, to build a residence in which the member intends to reside after taking up a new position on land of which the member has become the owner; or

- (c) becomes, or is to become, under the terms of contract entered into by the member before the expiration of the relevant period for purchase, the owner of the land on which a residence in which the member intends to reside after taking up a new position is to be erected;

then the member shall, on the erection of the residence, for the purpose of this paragraph be deemed to have purchased, or to have contracted to purchase, the residence; and

- (vi) where the member is transferred to a new position—

- (a) and is required to occupy a departmental residence; or
- (b) is transferred for a specified term on the basis that at the conclusion of that term the member will be further transferred to another position—

then the member may at the time of commencing duty in the first-mentioned position inform the Chief Commissioner in writing of an election to defer entitlements under paragraphs 62 (d) (i) or 62 (d) (ii) as the case may be—

and where the member so elects then the relevant period for purchase of the relevant periods for sale and for purchase, as the case may be, shall commence on the day on which the member is no longer required to occupy a departmental residence, or is transferred to another position but not for a specified term or is no longer subject to transfer for a specified term, as the case may be; and

- (vii) where a member who, having been transferred to a new position, contracts to sell the residence ordinarily occupied by the member when at the former position subsequent to the notification in the *Police Gazette* of the member's transfer back to the former position then no reimbursement shall be made in respect of costs associated with the sale of that residence.

63. (1) Where a member who maintains a substantially dependent spouse and/or substantially dependent children satisfies the Chief Commissioner that during the first 12 months of service or following any transfer that member has made reasonable efforts to obtain housing accommodation for the member and family at or near where the member is stationed or employed, and has failed to do so and is therefore required to live away from the place where the member's family is so maintained, the member shall be entitled to reimbursement of the actual cost of meals and accommodation up to \$135.90 per week during the time the member is so required to live away from the family and is unable to secure such accommodation.

Provided that no member shall receive any such allowance for a period longer than 12 calendar months.

Provided further that on appointment as a member of the Force the period of the member's entitlement shall include any period during which the member receives an allowance up to \$135.90 per week while subject to the Police Recruit Determination No. 1.

63. (2) A member in receipt of an allowance under paragraph 63 (1) shall not be entitled to travelling expenses under paragraph 45 for such living away, but if the member travels on duty from the place at which the member is living away, shall be paid the appropriate travelling allowance for such travelling in addition to the living away allowance, but that living away allowance shall cease if the member is absent travelling on duty for a period of 1 week or more from the place where the member is living away.

63. (3) A member in receipt of an allowance under paragraph 63 (1) who is on leave for any period of less than 1 week shall be paid such allowance or if the member is on leave for any period of 1 week or more, no portion of such allowance shall be paid.

1.3 In paragraph 64 (i) by deleting the amount "\$4100" and substituting therefor the new amount "\$4580".

1.4 In paragraph 64 (ii) by deleting the amounts "\$32 000" and "\$2300", "\$2450", and "\$3300" and substituting therefor the following new amounts "\$37 500", "\$2570", "\$2740" and "\$3690".

1.5 In paragraph 65 by deleting the expression "paragraph 62 (3)" and substituting therefor the following new expression "paragraph 62 (c)".

2. This Determination shall come into operation on and from 25 October 1987.
