In all instances the Contractor shall state the Order number and description of Stores on the consignment note. Should the Stores thus delivered be rejected the Contractor must bear the cost of replacing such Stores for which service the Department must not be charged any additional freight costs.

9.3 Responsibility for any damage, theft or loss of Stores after delivery but prior to acceptance shall remain with the Contractor except where the damage, theft or loss results from a negligent act or omission of the Purchaser, its agents or employees.

9.4 Where delivery commitments under the Contract cannot be maintained, the Board shall be immediately informed of the same by the Contractor and the Board may in its sole discretion terminate the Contract.

10. Acceptance of Stores:

10.1 The acceptance of the Stores shall be subject to the approval of the Purchaser.

10.2 The Purchaser shall be deemed to have accepted the Stores when an authorised officer intimates to the Contractor that the Purchaser has accepted the Stores or when after the lapse of fourteen (14) days the Purchaser retains the Stores without intimating to the Contractor that the Stores have been rejected.

10.3 Property shall not pass in the Stores until the Stores have been accepted by the Purchaser.

11. Rejection of Stores:

11.1 Where prior to acceptance being made, Stores are found to be not in accordance with the specification or not of merchantable quality or differing from those ordered (whether by brand, sample or quality) the Purchaser may reject the Stores.

11.2 The Purchaser shall notify the Contractor of the rejected Stores and may direct that the rejected Stores be removed and replaced, repaired or rectified by the Contractor at the Contractor's expense within such reasonable time as the Purchaser may direct.

11.3 The Board shall have the right to have the rejected Stores redelivered at the Contractor's risk and expense to the Contractor's premises where the Contractor shall afford every facility to accept such delivery.

11.4 Neither the Board nor the Purchaser shall be responsible for the care or custody of any rejected Stores not removed by the Contractor within the time fixed by the Purchaser.

11.5 Where Stores are rejected under the provisions of this clause or where the Contractor fails to despatch and deliver Stores within the time fixed for such despatch and delivery then in the event of the Contractor failing to replace the rejected Stores or deliver Stores conforming to the Contract following reasonable notice to do so, the Board shall have the right to purchase Stores in substitution therefor from another supplier and any additional expense incurred over and above the Contract Price shall be a debt due from the Contractor.

12 Sub-Contracting

12.1 The Contractor shall not assign or sublet the Contract or any part thereof or assign or mortgage, charge or encumber the Contract without first obtaining the written consent of the Board and the Board may make its consent subject to such terms and conditions as it thinks fit.

14.2 All damages and expenses incurred under or by virtue of the provisions of Condition 13 or Condition 14.1 shall be ascertained and certified to by the Purchaser and shall be deducted from any money that may be then due, or may thereafter become due to the Contractor, or that may have been deposited by him as a security in respect of the Contract. If the money then due, or thereafter becoming due to the Contractor, or deposited by him aforesaid shall be not sufficient for that purpose, the balance remaining unpaid shall be a debt by the Contractor to the State and may be recovered from Contractor in any Court of competent jurisdiction.

15 Payment:

The Contractor shall furnish an invoice in respect of each consignment of Stores. Accounts for payment shall specify the Purchaser's Order number and the Contractor's invoice reference number, be accompanied by essential supporting documents, and be rendered to the Purchaser.

16. Disputes:

Any dispute about the Stores, whether as to type, quantity, quality, delay in delivery or any other matter whatsoever in respect of or connected with the Contract shall be determined by the Board and its decision shall be final and binding upon the Contractor. If the Board considers it necessary so to do, it may refer to a 'technically qualified person' any Stores the Purchaser considers to be not in accordance with the Contract. The decision of the expert shall be final and binding upon both parties, and the expenses of such reference shall be paid by the party against whom the decision is given.
