Statement**

In accordance with the provisions of the *Subordinate Legislation Act 1962*, notice is given of the proposal to make the Occupational Health and Safety (Factory Registration) Regulations 1988.

A Regulatory Impact Statement has been prepared as required by the *Subordinate Legislation Act 1962*.

The proposed regulations will maintain a registration system of factories which was first put in place on 1 January 1988 to ensure adequate monitoring of health and safety standards in factories.

The objectives of the proposed regulations are:

- (a) to require certain workplaces to be registered and to prescribe the process and fees associated with registration; and

G 21 8 June 1988 1607

- (b) to assist in securing a safe and healthy work environment at the time of commencement of a new factory operation; and
- (c) to assist in securing a safe and healthy work environment for a registered factory where changes to the nature of the manufacturing process may result in changes to the risks to health and safety of persons associated with the activity; and
- (d) to monitor health and safety standards in established factory standards; and
- (e) to maintain the registration fee structure which reduced the cost of factory registration (in comparison to fees charged prior to 1 January 1988).

The Regulatory Impact Statement concludes that there are substantial savings to industry to implement the registration system outlined in the proposed regulations. The proposed regulations will enable the appropriate level of monitoring of health and safety standards in Victorian factories.

In accordance with the provisions of the *Subordinate Legislation Act* 1962, notice is given of the proposed regulation to revoke the first aid provisions (Regulations 9, 10 and 11) of the Occupational Health and Safety (General Safety) Regulations 1985.

A Regulatory Impact Statement has been prepared as required by the *Subordinate Legislation Act* 1962.

A Code of Practice—First Aid in the Workplace has been approved by the Minister pursuant to section 55 of the *Occupational Health and Safety Act* 1985 and shall have effect from 1 July 1988.

The purpose of the Code of Practice is to provide practical guidance in the provision of first aid facilities and persons suitably trained in the provision of first aid for all workplaces, including factories.

Objective—The objective of the proposed action is to revoke Regulations 9, 10 and 11 of the Occupational Health and Safety (General Safety) Regulations 1985 and thereby enable a First Aid Code of Practice to operate in factories without conflict.

It is necessary to revoke Regulations 9, 10 and 11 by 30 June 1988 in order to avoid two different first aid standards prevailing simultaneously in factories with the outdated Regulations contradicting the modern Code.

SHIRE OF NEWHAM AND WOODEND Notice of Amendment to a Planning Scheme

The Council of the Shire of Newham and Woodend has prepared Amendment No. L6 to the Newham and Woodend Planning Scheme. The amendment affects land zoned Environment Protection zone in the Shire of Newham and Woodend.

The amendment proposes to change the Planning Scheme by including allowance for the erection of 2 flats on land within the zone, the inclusion of zone objectives and providing a specified list of activities which are prohibited. This has resulted in some uses which were previously subject to Council consent in this zone now being prohibited and other uses such as rural industry and winery now becoming consent uses.

The only proposed changes to the existing maps is the rezoning of a section of Environment Protection zone north of Spencer Road to Forest Residential zone. This rezoning recognises the existing sub-division pattern in that area.

The amendment can be inspected at Municipal Offices, 92 High Street, Woodend, and at the office of the Ministry for Planning and Environment, The Olderfleet Buildings, 447 Collins Street, Melbourne.

Submissions about the amendment must be sent to Shire of Newham and Woodend, 92 High Street, Woodend by 8 July 1988.

Subordinate Legislation Act 1962
PROPOSED CEMETERIES REGULATIONS 1988

Notice is given as required by the *Subordinate Legislation Act 1962* of the intention to make regulations under the *Cemeteries Act 1958*.

The objective of the proposed Cemeteries Regulations 1988 is to provide for the protection of the public decency in a public cemetery, and to prescribe a fee for a licence to remove a body or the remains of a body interred in a cemetery, burial ground or place of burial which will recoup as far as practicable the cost of its administration.

A regulatory impact statement has been prepared and concludes that the potential benefits to the community from the proposed statutory rule will outweigh the potential costs.

Comments and submissions are invited from the public and will be received up to 21 days from the publication of this advertisement.

Copies of the regulatory impact statement are available from, and comments and submissions should be lodged with The Legislation Officer, Health Department of Victoria, 555 Collins Street, Melbourne Vic. 3000, Telephone: Mr H. Race 616 7278.
