PROPOSED FORESTS (LICENCES AND  
PERMITS) REGULATIONS 1988

A Regulatory Impact Statement has been prepared in relation to the proposed Forests (Licences and Permits) Regulations 1988.

The Regulations are required to replace existing Regulations which were revoked on 30 June 1988, by virtue of the sunset provisions of the *Subordinate Legislation Act 1962*.

The objective of the Regulations is to protect and manage assets of State forests and to control those extractive industries operating within State forests by prescribing the mode of applying for licences and permits under the *Forests Act 1958*, and the terms and conditions applicable to those licences and permits.

The Regulatory Impact Statement concludes that the proposed Regulations require the least expenditure and are the most effective means of achieving this objective.

Copies of the Regulatory Impact Statement and the proposed Regulations may be obtained from Mr F. Forte, Economics Unit, Department of Conservation, Forests and Lands, 5th Floor, 250 Victoria Parade, East Melbourne (Telephone: 412 4588).

Public comments are invited on the proposed Regulations and the Regulatory Impact Statement. Written submissions will be received at the above address up to 21 days from the date of publication of this notice. All submissions will be treated as public documents.
