House Contracts Guarantee Regulations 1988

In accordance with the provisions of the *Subordinate Legislation Act 1962* notice is given of the proposal to make the House Contracts Guarantee Regulations 1988. The Regulations will be made pursuant to the *House Contracts Guarantee Act 1987*. The objectives of the Regulations are:

to provide for certain exemptions from the Act;

to provide for certain terms and conditions in relation to the guarantee under the Act;

to provide for fees and forms required for the purpose of the Act.

A regulatory impact statement has been prepared. The impact statement concludes that:

the work of certain trades should be made exempt from the Act;

where a builder does not complete improvement work, the claimant must lodge the claim within 6 months of the builder ceasing work;

an approved builder need not give notice of building work worth less than \$3000.

The statement also sets out the fees to be charged for lodging appeals against decisions of the approved guarantor and for the issue of certain certificates. It also provides for the forms to be used where there is a change in progress payments and where notices or information must be given to the approved guarantor.

Copies of the statement are available from the Ministry of Consumer Affairs, 500 Bourke Street, Melbourne (telephone 602 8359).

Comments and submissions are invited from interested parties.
