EXEMPTION

Application No. 2 of 1989

On 10 March 1989 the Equal Opportunity Board considered an application under section 40 (1) of the *Equal Opportunity Act 1984* by Westernport Youth Refuge Inc. for a further

extension of the exemption originally granted by the Board on 26 June 1986 for an exemption from the provisions of the Act to enable it to employ a person of a particular sex to fill a vacancy when no person of that sex is on the staff.

The Board has regard to the fact that the applicant had informed the Board that its workers had found that some of the young persons resident in the Refuge had difficulty relating to a worker of a particular sex because of past negative experiences with a member or members of that sex, or sensitivity about matters related to their own sex.

The Board determined that in these circumstances it was necessary to ensure that there are members of both sexes on the staff at all times.

The Board hereby grants an exemption from the operation of sections 21 (1) and 59 of the *Equal Opportunity Act 1984* to permit the applicant to employ a person of a particular sex to fill a vacancy for a youth worker when no person of that sex is on the staff.

This exemption will remain in force until 26 June 1992.
