GOVERNMENT NOTICES

EXEMPTION

Application No. 4 of 1990

On 6 April 1990 the Equal Opportunity Board considered an application pursuant to section 40 (1) of the *Equal Opportunity Act* 1984 ("the Act") by Georgina Collective Incorporated as responsible for the Georgina Women's Refuge to enable it to advertise worker positions as women only positions.

Upon reading the material in support of the application, the Board is satisfied that it is appropriate to grant an exemption from sections 21 and 59 of the Act.

In granting the exemption the Board noted—

"The Georgina Women's Refuge provides short-term accommodation for women and their children who are in crisis caused by domestic violence and require a safe supportive environment where their emotional needs are met and understood. . . . The 24-hour component requires a staff member to sleep overnight."

The Board hereby grants an exemption from the operation of sections 21 (1) and 59 of the *Equal Opportunity Act* 1984; this exemption shall remain in force until 6 April 1993.

EXEMPTION

Application No. 5 of 1990

On 6 April 1990 the Equal Opportunity Board considered an application pursuant to section 40 (1) of the *Equal Opportunity Act* 1984 ("the Act") by Broadmeadows College of Technical and Further Education in respect of the creation of a position for an Aboriginal Liaison Officer, specifically to work with the Aboriginal community in the College Region.

Upon reading the material in support of the application, the Board is satisfied that it is appropriate to grant an exemption from sections 21 and 59 of the Act.

In granting the exemption the Board noted—

"Due to the nature of the position and abilities required, the College wishes to advertise for people of Aboriginal descent only to apply.

The basic premise for this request includes:

The need for the position to have access to the Aboriginal community, and to be accepted by the community.

The ability to understand, identify and to convey to the College educational and training needs of that community.

The ability of the College to successfully meet the educational and training needs of the Aboriginal community depends significantly on the image of the College to the community.

There will be the need for the appointee to work with Aboriginal students within the College, as well as program providers and support staff."

The Board hereby grants an exemption from the operation of sections 21 (1) and 59 of the *Equal Opportunity Act* 1984; this exemption shall remain in force until 6 April 1993.

Subordinate Legislation Act 1962

WATER (LONG SERVICE LEAVE)
REGULATIONS 1990

Regulatory Impact Statement

Notice is given of a proposal to make the above Regulations.

The reason for the proposed regulations is to restate the provisions for long service leave currently set out under the *Water and Sewerage Authorities (Restructuring) Act 1963*, the *River Improvement Trust Act 1958*, the *Latrobe Valley Act 1958*, and the *Mildura Irrigation and Sunraysia Water Board Act 1982* and under the *Water and Sewerage Authorities (Long Service Leave) Regulations 1988* the *River Management Boards (Long Service Leave) Regulations 1988*, the *Latrobe Valley (Long Service Leave) Regulations 1988* and the *Mildura Irrigation Trusts and Sunraysia Water Board (Long Service Leave) Regulations 1988*. These Acts, including the *Dandenong Valley Act 1963*, will be repealed upon proclamation of the *Water Act 1989*. The long service leave entitlements of employees of the Rural Water Commission are not affected by these Regulations.

The objective of these proposed Regulations is to preserve the continuity of existing entitlements of all water authority employees, with the exception of RWC employees to long service leave.

A Regulatory Impact Statement has been prepared in accordance with the *Subordinate Legislation Act 1962*.

The results of that statement are as follows:

1. There is no feasible alternative to making the Regulations.
2. No significant financial or social impact on the public or on individuals is envisaged as a result of the regulations.
3. The benefit to the community of making the proposed regulations outweighs any disadvantages.

Copies of the Regulatory Impact Statement and the proposed regulations are available from Mr Greg McConnell, Department of Conservation and Environment, 35 Spring Street, Melbourne 3000. Telephone: (03) 651 3977. Fax: (03) 651 3989.

Comments and submissions are invited and will be received up to 21 days from the publication of this advertisement.
