**By-Law No. 279: Water Supply (Amendment)
Notice of Preparation of a Regulatory Impact Statement**

In accordance with the provisions of the *Subordinate Legislation Act 1962* notice is given of the proposal to make By-Law No. 278: Plumbing Code and Sewerage Regulations (Amendment) and By-Law No. 279: Water Supply (Amendment).

The proposed By-Laws amend By-Law No. 202 Plumbing Code and Sewerage Regulations and By-Law No. 218 Water Supply to introduce new fees, amend existing procedures for plumbing work inspections and include certain offence provisions.

The objectives of the proposed statutory rules are:

- (b) To recover the costs of plumbing inspections from Licensed Plumbers and Drainers responsible for:
 - (i) Aborted inspections;
 - (ii) Inspections revealing non-complying work.
- (c) To provide incentive to Licensed Plumbers and Drainers to perform and present for inspection, work which complies with the Sewerage and Water Supply Regulations.
- (d) To enable cost recovery at an individual service level, thereby eliminating the cross subsidisation from all ratepayers.
- (e) To rationalise the administration of plumbing inspections.

The Regulatory Impact Statement therefore concludes that the proposed changes are the means of achieving these objectives.

Copies of the Regulatory Impact Statement and the proposed By-Laws may be obtained from Mr John Sturdy (Telephone 615 5212).

BERWICK PLANNING SCHEME

Notice of Amendment
Amendment No. L38

The City of Berwick has prepared Amendment No. L38 to the Local Section of the Berwick Planning Scheme.

The amendment comprises three sections and proposes to amend the following:

Section A—Berwick Business—Berwick Village Zone

This component of the amendment involves the creation of a Berwick Business—Berwick Village zone which is proposed to replace the existing Restricted Business Zone within the Commercial area.

The areas proposed to be included in this new zone include:

- All properties abutting High Street, between Lyall Road and Wheeler Street on the north side, and between Clyde Road and Gloucester Avenue on the south side.
- The existing shops along the western side of Gloucester Avenue.
- The existing shops along the eastern side of Clyde Road, between High Street and the public car park.
- Blackburne Square and Loveridge Walk.

Currently all these properties are in a Restricted Business zone.

The major features of the Berwick Business—Berwick Village zone include:

- * Specific purpose statements and guidelines for permit which reflect the goals, objectives and recommended actions of the Berwick Village Commercial Centre Strategy Plan.
- * The emphasis on retailing as the predominant ground floor land use, with offices on any upper levels.
- * A maximum building height restriction of two storeys above ground level.
- * All advertising signage (except a direction sign and home occupation sign) to be subject to a permit, with specific guidelines for permit to reflect the purpose statements of the zone.
- * The prohibition of a number of specific signs, which are considered completely inappropriate within the Berwick Village. These include a panel sign, promotion sign, high wall sign, above-verandah sign, or any form of bunting, reflective or animated sign.

Section B—Berwick Office Zone

It is proposed to modify some of the provisions in the existing Berwick Office Zone. These modifications include:

G 25 3 July 1991 1809

- * Making a dual occupancy and a flat discretionary uses (presently they are both as of right).
- * Deleting two discretionary uses listed in section 2 (thereby making them prohibited uses), which are not considered appropriate in this fringe office area around the Berwick Village. These uses are: Commercial Display Area and Commercial Vehicle Park.
- * Introducing additional guidelines for considering applications to include reference to the adopted Berwick Village Commercial Centre Strategy Plan, considering the impact of developments on the visual amenity and streetscapes, and to ensure adequate on site parking and loading facilities are provided.

Section C—Amendment to the Zoning Maps

A total of fifteen (15) site specific rezonings/reservations are proposed, resulting from the recommendations in the Strategy Plan.

1. A small parcel of land which forms part of Berwick Primary School, abutting Peel Street, is proposed to be rezoned from a Berwick Residential—Berwick Township Zone to a Primary School Reservation.

2. It is proposed to introduce a new zone into the Planning Scheme (Berwick Business—Berwick Village Zone) to replace the existing Restricted Business Zone that covers most of the retailing area in High Street, Berwick. (The exception to this is the land in a Restricted Business Zone on the south side of High Street, east of Gloucester Avenue).

3. It is proposed to change the existing Berwick Residential—Berwick Township Zone on the south west corner of Peel Street and Wheeler Street, to a Public Purposes 19 (Local Government) reservation. This land, where the Girl Guide Hall is currently situated, is owned by the City of Berwick.

4. It is proposed that the following properties be rezoned from a Berwick Residential—Berwick Township Zone to a Berwick Office Zone:

All properties abutting the east side of Wheeler Street, between Peel Street and High Street.

Nos. 9, 11 and 15 Gloucester Avenue.

Nos. 15, 17, 18, 20, 22 and 24 Langmore Lane.

All properties fronting the south side of Langmore Lane between Clyde Road and Gloucester Avenue.

Lots 1 and 2 (Nos. 15 and 17), LP 51654, Clyde Road.

5. It is proposed to change the Proposed Public Purposes 19 (Local Government) reservation on the south side of Wilson Street, to a Public

Purposes 19 (Local Government) Reservation. The land is now owned by Council and is already used for car parking.

6. It is proposed to rezone the existing Wilson Street road reserve between Lyall Road and Wheeler Street from a Berwick Residential—Berwick Township zone to a Proposed Public Purposes 19 (Local Government) Reservation.

7. It proposed to rezone Lot 1, LP 96107 Langmore Lane from a Berwick Residential—Berwick Township zone to a Proposed Public Purposes 19 (Local Government) reservation.

8. It proposed to change the Proposed Public Purposes 19 (Local Government) reservation on the north side of Richardson Grove to a Public Purposes 19 (Local Government) reservation.

9. It is proposed to change the Berwick Residential—Berwick Township Zone on the north side of Richardson Grove to a Proposed Public Purposes 19 (Local Government) reservation.

10. It is proposed to change Lot 1, LP 58510 Langmore Lane from a Berwick Office Zone to a Proposed Public Purposes 19 (Local Government) reservation.

11. It is proposed to change the properties along the north side of Langmore Lane between Clyde Road and Gloucester Avenue, that are presently in a Berwick Residential—Berwick Township Zone, to Proposed Public Purposes 19 (Local Government) reservation.

12. It is proposed to rezone Lot 3, LP 34921 (No. 7) Gloucester Avenue from a Restricted Business zone, to a Berwick Office Zone.

13. It is proposed to change the Council owned land presently in a Restricted Business Zone, on the south side of High Street east of Gloucester Avenue to a Public Purposes 19 (Local Government) reservation.

14. It is proposed to rezone the land on the south side of High Street east of Gloucester Avenue containing the Masonic Hall, from a Restricted Business zone to a Berwick Office Zone.

15. It is proposed to rezone No. 5 Gloucester Avenue from a Public Purposes 20 Reservation.

In addition to the three main sections detailed above, this amendment proposes to include reference to the Proposed Public Purposes 19 (Local Government) reservation in the Clause relating to reserved land, which due to an oversight, is not presently referred to in the Planning Scheme.
