**Proposed Drugs, Poisons and Controlled  
Substances (Nurses Authorisation)  
(Amendment) Regulations 1992**

**Notice of Decision**

I, Maureen Lyster, Minister for Health, give notice under the *Subordinate Legislation Act 1962* that the proposed Drugs, Poisons and Controlled Substances (Nurses Authorisation) (Amendment) Regulations 1992 have been the subject of a regulatory impact statement.

Public comments and submissions were invited and received and have been duly considered in accordance with section 12 of that Act.

I have decided that the proposed regulations should be made.

MAUREEN LYSTER  
Minister for Health

20370

The Minister for Corrections proposes the above Regulations to replace the Penalties and Sentences Regulations 1986.

The objective of the regulations is to provide wider and more appropriate sentencing options as set out in the *Sentencing Act* 1991.

A Regulatory Impact Statement has been prepared setting out the details of the proposed policy. This concludes that the proposed Regulations are the most appropriate method of achieving the objective based on the past success of this practice in maintaining the confidence of the courts and the community and in appropriately supervising offenders released onto community correctional orders.

The Regulatory Impact Statement may be obtained from the Office of Corrections, 4th Floor, 20 Albert Road, South Melbourne 3205 by writing to or telephoning Ms Jenny Roberts on 698 6569.

Written submissions are invited from interested parties regarding the proposed Regulations. These should be sent to the Director-General at the above address, not later than 8 April 1992.

**MELBOURNE PLANNING SCHEME**

Notice of Amendment  
Amendment No. L76

The City of Melbourne has prepared Amendment L76 to the Melbourne Planning Scheme.

Amendment L76 proposes to rezone land previously used as the Kensington Abattoir and the Kensington Army Ordinance Depot so the land may in the future be used for housing, open space and other related purposes as part of the Lynch's Bridge Project, Stage 2.

The General Industrial zone (marked IN4 on planning scheme maps), the Public Purposes No. 1 Commonwealth Reservation (marked PP1 on planning scheme maps), the Melbourne Residential 1R2 zone (marked 1R2 on planning scheme maps) and the Proposed Public Open Space Reservation (marked PPOS on planning scheme maps), which currently apply to the affected land, are proposed to be replaced with Public Open Space Reservations (to be marked POS on planning scheme maps) and the Lynch's Bridge Development zone (to be marked 1 LBR on the planning scheme maps).

*Victoria Government Gazette*

The Lynch's Bridge Development zone proposes to make all use and development on land subject to compliance with a Development Plan. The Lynch's Bridge Development zone proposes to not allow any use or development, except floodway management, drainage and associated access works to occur on the land until after the Development Plan has been prepared, exhibited and incorporated into the Melbourne Planning Scheme.

The amendment L76 removes easements and other restrictions which are no longer relevant to the subject land as well as confirming the protection of the historic Stock Route. The Public Open Space Reservations define the boundary of the Women's Peace Garden, a riverside park and a "Peppercorn" park on Westbourne Road. Parts of Hobson's Road, Flockhart Street, Back Abattoirs Road and several unnamed roads on the subject land are to be closed in accordance with Council policy.

A copy of the amendment can be inspected, free of charge, during office hours at the Department of Planning and Housing, Ground Floor, The Olderfleet Buildings, 477 Collins Street, Melbourne and at the City of Melbourne, 7th Floor, Council House, 200 Little Collins Street, Melbourne.
