**REGULATORY IMPACT STATEMENT**  
Proposed Estate Agents (Professional Conduct)  
Rules 1992

It is proposed that the Estate Agents (Professional Conduct) Rules 1992 be made to replace the Estate Agents (Professional Conduct) Rules 1981. The objective of the rules is to establish acceptable standards of practice by estate agents and sub-agents in their dealings with the public. This is to be achieved by prescribing a code of professional conduct for estate agents and sub-agents.

A Regulatory Impact Statement has been prepared and this concludes that the recommended rules are the most viable means of achieving the objectives of the *Estate Agents Act 1980* wherein a code of ethical conduct is required to maintain the professional standards expected of real estate practitioners for the protection of the public.

Comments and submissions are invited from the public and will be received up to 21 days from the publication of this notice.

Copies of the Regulatory Impact Statement are available from the Estate Agents Board, 12th Floor, 500 Collins Street, Melbourne, telephone (03) 614 1388, fax (03) 614 6136.
