**GEELONG REGIONAL PLANNING  
 SCHEME**

Notice of Amendment  
 Amendment No. R103

The Geelong Regional Commission has prepared Amendment No. R103 to the Geelong Regional Planning Scheme.

The amendment proposes to change the Regional Section of the Planning Scheme by:

Item 1. Replacing part of Clause 78-5 with provisions that would allow a permit to be granted for the renewal or replacement of fully established animated, internally illuminated or floodlit signage. The relevant requirements of Clause 78-6 Advertising Table must be met if the advertising area is to be increased or a new type of sign is proposed.

Item 2. Replacing part of Clause 78-6.4 to alter the controls affecting internally illuminated and floodlit signs which currently limits the advertising area of any one such sign to 1.5 square metres. The amendment proposes that the maximum advertising area for such signs on any one premises would be 6 square metres where the premises fronts an existing arterial road and 1.5 square metres for premises not fronting an existing arterial road.

Item 3. Altering Clause 78-2 which affects properties covered by conservation controls and currently provides that a permit is not required for home occupation signs not exceeding 0.2 square metre. The amendment proposes that the 0.2 square metre limit be changed to 0.3 square metre.

The amendment can be inspected at the Geelong Regional Commission, State Government Offices, corner Little Malop and Fenwick Streets, Geelong; Ministry for Planning and Housing, The Olderfleet Buildings, 477 Collins Street, Melbourne; the offices of
