*Subordinate Legislation Act 1962*  
**WATER (APPLICATION FEES)  
(AMENDMENT) REGULATIONS 1992**  
Regulatory Impact Statement

Notice is given of the proposal to make the above Regulations.

The prime objective of the Regulations is to improve the allocation of public sector resources by the recovery of the full cost of providing the services to Rural Water Commission customers and to facilitate the more efficient use of irrigation water in Victoria.

The Regulations will—

1. Prescribe an application fee for persons seeking to permanently transfer a Diversion Licence so that it can be used on a different property; and
2. prescribe application fees for persons wishing to construct multiple bores at the one site for the collection of groundwater data; and
3. clarify the description of application fees relating to applications for temporary Transfers of Diversion Licences.

A Regulatory Impact Statement has been prepared in accordance with the *Subordinate Legislation Act 1962*.

The results of the statement are as follows:

1. The major cost impact will be on the groups using the services, who will be required to pay the full cost of providing the service.
2. Adopting any of the major alternatives will result in economic loss to the State and to individual irrigators and potential irrigators and may result in the degradation of the groundwater resource.
3. The benefits will be that the services will now be fully funded by users of the services and will therefore not be dependant on funding from consolidated revenue, thus allowing an efficient allocation of resources.

Copies of the regulatory impact statement are available from Mr Kevan Richards, Rural Water Commission of Victoria, 590 Orrong Road, Armadale 3143. Telephone (03) 508 2415 Fax (03) 508 2313.

Comments and submissions are invited and will be received up to 21 days from the publication of this advertisement and should be sent to Manager, Legal Services at the above address.

**VETERINARY SURGEONS ACT 1958**  
(As amended)

The Veterinary Board of Victoria ("the Board") conducted an inquiry on 1 April 1992 into the conduct of Dr Trevor Mervyn Brown, a registered Veterinary Surgeon of 85 Coombes Road, Torquay in the State of Victoria to ascertain whether on 22 July 1990 at Anglesea, Victoria after performing surgery upon a Schnauzer bitch named Irlander Harmony von Holz ("Harmony") owned by Mrs Beryl Hodgson ("the owner") he voluntarily released Harmony from his care and supervision into the care of the owner when there were clear indications that professional veterinary care was still necessary for the health and welfare of Harmony.

The Board found the charge proven. Dr Brown was fined \$250 and ordered to pay \$2500 towards the cost of and incidental to the inquiry by the Board. He was granted nine months in which to pay the fine and costs.
