Bees Regulations 1992

In accordance with the provisions of the *Subordinate Legislation Act 1962* notice is given of the proposal to make regulations to be known as the Bees Regulations 1992.

A Regulatory Impact Statement has been prepared as required by the Subordinate Legislation Act.

The objective of these regulations is to implement the *Bees Act 1971* which seeks to limit the spread of disease amongst bees by regulating the keeping of bees and by providing compensation to individuals who would otherwise suffer unreasonable burdens as a result of the disease limitation policy.

The Regulatory Impact Statement concludes that the proposed regulations are the most effective means of achieving the stated objective.

Copies of the Regulatory Impact Statement and the proposed regulations may be obtained from Mr Kevin Pagon, Legal Branch, Department of Food and Agriculture, "The Mill", 165 Hargreaves Street, Bendigo 3550. Telephone (054) 304 476 or Fax (054) 304 499.

Comments and submissions are invited from interested parties.

Written submissions should be sent to the above address no later than 21 days from the publication of this notice.

The amendment affects land currently in a "New Minor Road" Reservation, and the Industrial "A" zone, under the Planning Scheme.

The land is located between Rodgers and Wesley Streets, Yarram, and has frontages to Commercial Road and Grant Street. The Reservation is a proposed "U" shaped laneway, some of which is shown on titles as a road, and some of which is in private ownership.

The proposed laneway is not required by some of the abutting owners, who wish the reservation to be abandoned by this amendment.

In addition to removing the reservation, the amendment proposes to take land in the area out of the Industrial "A" zone and to place it in the Commercial "A" zone, as this land is proximate to land in the Residential "A" zone, and there is an incompatibility between permissible residential and industrial zone uses.

The amendment will establish non-conforming-use rights to existing uses which are classified by the scheme as "Industrial Uses".

The amendment proposes to change the Planning Scheme by amending the planning scheme maps (Local Section, Map E), to show the rezoning.

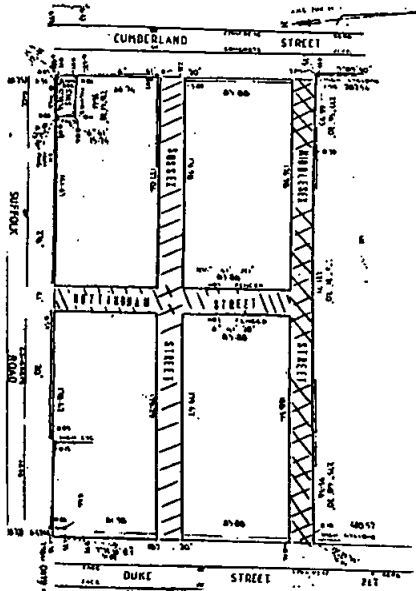

It is proposed to do the following:

Rezone Industrial "A" zoned land, to the Commercial "A" zone.

Rezone most of the New Minor Road Reservation to the Commercial "A" zone.

Rezone a small strip of the New Minor Road Reservation (northern side of amendment area) to the Residential "A" zone, to ensure alignment between the zone and title boundaries.

The amendment can be inspected at the Department of Planning and Housing, The Olderfleet Buildings, 477 Collins Street, Melbourne; the Department of Planning and Housing, 71 Hotham Street, Traralgon; Latrobe Regional Commission, 42 Grey Street, Traralgon; the Shire of Alberton, Commercial Road, Yarram.
