SHIRE OF HASTINGS

**Notice of Amendment to a Planning Scheme
Amendment L56**

The Shire of Hastings has prepared Amendment L56 to the Hastings Planning Scheme.

The amendment affects land at No. 11 (described as Lot H of Plan of Subdivision No. 220983) Gerards Way, Tyabb. The subject land exists in one (1) title and has a total area of approximately 9 (nine) hectares and is located on the southern side of Gerards Way. It is accessed from that road through an existing rural residential area.

G 32 19 August 1992 2373

The amendment proposes to rezone part of the land from General Farming A to Rural Residential 1. The rezoning would enable this part of the land to be subdivided and used for rural residential purposes.

Under the proposed new zone, a permit is required for subdivision and any future application would have to demonstrate that on-site absorption of waste water is possible.

The part rezoning of the subject land represents a relatively minor extension of an existing rural residential subdivision and would enable the full utilisation of existing service infrastructure without creating a new node of development. If it is proposed in such a way that will ensure that the visual impact of further housing development is restricted to within the existing rural residential estate. It is also noted that a recent review undertaken by Council of rural residential land supported the proposed rezoning 'In principle', provided appropriate conditions were met.

The amendment can be inspected at the Shire Offices, Marine Parade, Hastings; the Department of Planning and Housing, 33-39 High Street, Cranbourne; and the Department of Planning and Housing, The Olderfleet Buildings, 477 Collins Street, Melbourne.

Submissions about the amendment must be sent to the Manager—Planning and Development, Shire of Hastings, P. O. Box 55, Hastings 3915 by 21 September 1992.
