Amendment No. L33

The Shire of Narracan has prepared Amendment No. L33 to the Narracan Planning Scheme.

The amendment affects land in all rural zones in the Municipality.

"Plantation" will require a permit in the Rural Low Lying and Rural Farming zones. This is a consistent industry approach for the region where "Plantation" will be carried out in accordance with the Code of Forest Practices for Timber Production. The Code has been generally agreed as an industry standard which promotes good timber growing and production standards and practices.

Notice of Approval of Amendment
Amendment L15 Part 2

The Minister for Planning has approved Amendment L15 Part 2 to the Coburg Planning Scheme.

The amendment comes into operation the date this notice is published in the *Government Gazette*.

The amendment introduces permanent heritage conservation controls, in a modified form to that exhibited, to the Gallipoli Parade area centering on Fontaine Street and Somali Street, Coburg. The controls cover specified built form and natural form areas as well as individually significant buildings and trees.

The amendment also deletes the existing interim planning scheme provisions which were introduced in Amendment L18 and then altered in Amendment L15 Part 1 as the controls over the Gallipoli Parade area have been modified as the result of further community consultation.

The permanent controls which were finalised in Amendment L15 Part 1 covering other parts of Coburg remain as earlier approved.

A copy of the amendment can be inspected, free of charge, during office hours, at the offices of the City of Coburg Municipal Offices, Bell Street, Coburg and at the Department of Planning and Development, 477 Collins Street, Melbourne.
