EXEMPTION

Application No. 23 of 1994

The Equal Opportunity Board has considered an application pursuant to section 40 (1) of the **Equal Opportunity Act 1984** ("the Act") by J. Lincoln on behalf of the Mission to the Streets and Lanes for the purposes of employing all female Youth Workers.

Upon reading the material tendered in support of this application, the Board is satisfied that it is appropriate to grant an exemption from sections 21 and 59 of the Act.

In granting this exemption the Board noted the following:

- * The Mission to the Streets and Lanes operates Napier House which is a short term accommodation unit for young women from 12 up to 16 years of age who are deemed to be 'at risk'.
- * Napier House was originally set up in 1990 with a state-wide target group as a community based alternative to Winlaton for those young women who through no fault of their own were unable to remain safely in their own homes and were therefore viewed as being in need of "care of protection". Napier House provides accommodation for periods from 1 night—3 months while protective interveners and courts make decisions regarding their long term accommodation.
- * All referrals to Napier House come from Reception Services of Health and Community Services and admission is dependant on the young woman being:
 - on a care and protection application;
 - undergoing an investigation by protective interveners;
 - unable to remain safely at home;
 - unable to be placed in less intrusive options;
 - subject to placement breakdown.

The Board hereby grants an exemption from the operation of sections 21 and 59 of the **Equal Opportunity Act 1984**, this exemption to remain in force until 10 November 1997.
