EXEMPTION FROM NOTIFICATION OF
VACANCY UNDER SECTION 29 (2) OF
THE PUBLIC SECTOR MANAGEMENT
ACT 1992

The Public Service Commissioner exempts
the following class of positions from the
requirement to notify a vacancy.

Any fixed-term position which a Department
Head intends to fill by the employment of a
person who was performing the duties of the
position as a temporary employee on the
commencement of the *Public Sector
Management (Amendment) Act 1992*, and
continued to perform such duties until
immediately prior to the conversion of the
position to a fixed-term position.

This exemption is subject to the employee
having been selected on the basis of open
competition to the temporary position and to the
Department having obtained the agreement of
the WorkForce Management Unit to fill the
position.

Reasons for Exemption

The conversion of a temporary position to a
fixed-term position is a transitional arrangement
consequent on the operation of the *Public Sector
Management (Amendment) Act 1992*. The re-
employment of the incumbent of the temporary
position in the fixed-term position is an action
similar to a transfer, and providing the employee

was initially selected to the temporary position
on the basis of open competition, the
requirements of merit and equity are satisfied.
