EXEMPTION

Application No. 24 of 1995

The Equal Opportunity Board considered an application for exemption pursuant to Section 40 (1) of the **Equal Opportunity Act 1984** by Rentokil Pty Ltd to enable it to employ women only in certain positions in the company's Sanitact Division, namely sales consultants and service drivers.

The Board has regard to the fact that:

- (i) the Sanitact Division provides a sanitary disposal service to offices, schools, clubs, hotels, entertainment centres, etc.;
- (ii) the duties of a sales consultant involve selling the service which includes surveying the areas to be serviced;
- (iii) the duties of a service driver include changing the sanitary units in toilet areas; and
- (iv) the duties of both sales consultant and service driver require the holders of those positions to enter female toilets during business hours.

The Board determined that, in these circumstances, it is desirable that sales consultants and service drivers employed in the company's Sanitact Division and performing the duties outlined above be female.

The Board hereby grants an exemption to Rentokil Pty Ltd or its appointed recruitment consultancy from the operations of Sections 21(1) and 59 of the **Equal Opportunity Act 1984** to permit employment of women only as sales consultants and service drivers in the company's Sanitact Division.

This exemption shall remain in force until 9 November 1998.
