1. General

1.1 Objectives

In administering this Order and exercising its powers under the Act and the ORG Act in relation to the Regulated Industry, the objectives of the Office (the "Objectives") are:

- (a) to ensure that the cost in real terms of using Regulated Services currently provided in the Port of Geelong does not increase from the commencement of this Order until 30 June 2000; and
- (b) otherwise, its objectives under section 48(a) and (b) of the Act and section 7 of the ORG Act.

1.2 Application

- 1.2.1 This Order applies to all persons who provide Regulated Services, charge Regulated Prices or propose to do either ("Regulated Entities")
- 1.2.2 This Order, other than this clause 1.2.2, does not apply in respect of the provision of towage in the port of Geelong. However, subject to section 51 of the Act, the Office may exercise its general powers under Division 3 of Part 3 of the Act and under the ORG Act in relation to the provision of towage in the port of Geelong. Accordingly, the Office may monitor the provision of towage by requiring the providers of towage to make financial and business records available to the Office under the Act. If the Office makes any determination relating to towage in the port of Geelong, it must ensure that determination is consistent with the criteria applied at that time by the Prices Surveillance Authority or the Australian Competition and Consumer Commission in assessing towage prices in other ports in Australia.

1.3 Interpretation

- 1.3.1 In this Order, the words and phrases defined in Appendix 1 have the meanings given to them in that Appendix unless the contrary intention appears.
- 1.3.2 This Order must be interpreted in accordance with the rules of interpretation set out in Appendix 2 unless the contrary intention appears.

1.4 Commencement

- 1.4.1 This Order takes effect from 1 July, 1996.

2. Weighted average revenue cap

2.1 General

- 2.1.1 Regulation of Regulated Prices under this Order is principally achieved by fixing a maximum average revenue in relation to the Regulated Services provided by each Regulated Service Provider. This Order also requires the Office to approve Regulated Prices for each Financial Year, increases in Regulated Prices, Regulated Prices for new or additional Regulated Services that may be provided from time to time and certain other Regulated Prices. The purpose of requiring these approvals of Regulated Prices is principally to enable the Office to be satisfied that Regulated Prices comply with the MWAR cap under this Order and are otherwise consistent with the Objectives.
- 2.1.2 A Regulated Entity must not charge a Regulated Price that is more than the maximum price specified in, or approved in accordance with, this Order.
- 2.1.3 A Regulated Entity may charge a Regulated Price that is less than the maximum price specified in, or approved in accordance with, this Order if (but only if) the MWAR cap of the relevant Regulated Service Provider under this Order will continue to be complied with.
- 2.1.4 The initial schedule of maximum prices for Regulated Services to be provided by the Initial Port Operator for the period from the commencement of this Order to 30 June 1997 is set out in Appendix 3. Except as contemplated by clauses 2.5 and 2.6, these maximum prices may not be increased under this Order. However, prior to 30 June 1997, the Office may approve Regulated Prices under clause 3 in respect of any new or additional Regulated Services provided or proposed to be provided by the Initial Port Operator.
- 2.1.5 Subject to clause 2.1.4, the Office may approve a new or revised schedule of maximum prices for Regulated Services provided by a Regulated Service Provider in accordance with this Order if the Office is satisfied that:
- (a) the Regulated Prices charged for the provision of, or in connection with, those Regulated Services (whether charged by the Regulated Service Provider or other Regulated Entities) will comply with the Regulated Service Provider's MWAR cap under this Order; and
 - (b) they are consistent with the Objectives.
- 2.1.6 A Regulated Entity must provide a customer or potential customer with a statement in writing setting out the Regulated Entity's then current Regulated Prices as soon as practicable after being requested to do so by that customer or potential customer.

2.2 Maximum weighted average revenue cap

- 2.2.1 The Initial Port Operator is subject to an MWAR cap under this clause 2.2. Other Regulated Service Providers may become subject to a MWAR cap in accordance with clause 3.

2.2.2 If a Regulated Service Provider is subject to a MWAR cap under this Order, each Regulated Entity must ensure that the AR derived from Regulated Services provided by that Regulated Service Provider in a particular Financial Year after the Base Year does not exceed the Regulated Service Provider's MWAR cap for that Financial Year. Subject to this Order, the AR for a Financial Year is to be calculated in accordance with clause 2.2.3 and the MWAR cap for a Financial Year is to be calculated in accordance with clause 2.2.4.

2.2.3 The AR derived from Regulated Services provided by a Regulated Service Provider in Financial Year "t" is to be calculated in accordance with the following formula:

$$AR_t = \frac{R_t}{T_t}$$

where:

AR_t = the AR (in \$/MT) derived from all Regulated Services provided by that Regulated Service Provider in Financial Year "t" (whether charged by that Regulated Service Provider or other Regulated Entities).

R_t = the total revenue (in \$) that all Regulated Entities derive from Regulated Prices charged for the provision of, or in connection with, Regulated Services provided by that Regulated Service Provider during Financial Year "t"; and

T_t = is the total quantity of cargo (in MTs) which is loaded or unloaded in the port of Geelong utilising Regulated Services provided by that Regulated Service Provider during Financial Year "t".

If AR_t is to be determined before the commencement of Financial Year "t", R_t and T_t are to be calculated on the basis of reasonable forecasts by the Regulated Service Provider. If AR_t is to be determined after the commencement of Financial Year "t", R_t and T_t are to be calculated having regard to actual revenue derived and the quantity of cargo loaded or unloaded since the commencement of Financial Year "t".

2.2.4 The MWAR for all Regulated Services provided by a particular Regulated Service Provider in Financial Year "t" is to be calculated in accordance with the following formula:

$$MWAR_t = (CPI_t - X) * WAR_t - K_{t-1}$$

where:

$MWAR_t$ = the MWAR (in \$/MT) for all Regulated Services provided by that Regulated Service Provider in Financial Year "t" (whether charged by that Regulated Service Provider or other Regulated Entities).

CPI_t = the CPI for Financial Year "t" as defined in Appendix 1.

X = an annual adjustment factor applied for Financial Year t consistent with the definition of CPI (which accumulates from the March Quarter in the 1995/96 Financial Year):

Financial Year	X Factor
1997/98	0
1998/99	0
1999/2000	0

WAR_t = weighted average revenue determined in accordance with clause 2.2.5.

K_{t-1} = the correction factor determined in accordance with clause 2.2.6.

$t-1$ = the prior Financial Year.

2.2.5 WAR_t for a Regulated Service Provider for Financial Year "t" is an amount determined in accordance with the following formula:

$$WAR_t = \sum_{p=1}^{p=n} \left[AR_{p,b} * \left(\frac{TP_t}{T_t} \right) \right]$$

where:

b = the Base Year being the year ending 30 June 1997;

$AR_{p,b}$ = the AR (in \$/MT) that all Regulated Entities derive from Regulated Prices charged for the provision of, or in connection with, Regulated Services provided by that Regulated Service Provider in connection with Cargo Category p during the Base Year calculated in accordance with the following formula:

$$AR_{p,b} = \frac{R_{p,b}}{T_{p,b}}$$

where:

$R_{p,b}$ = the total revenue that all Regulated Entities derive from Regulated Prices charged for the provision of, or in connection with, Regulated Services provided by that Regulated Service Provider in connection with Cargo Category p during the Base Year;

$T_{p,b}$ = the Metric Tonnes of Cargo Category p that is loaded or unloaded in the port of Geelong utilising Regulated Services provided by that Regulated Service Provider during the Base Year.

If AR_p , $R_{p,b}$ and $T_{p,b}$ are to be determined before the end of the Base Year "b", they are to be calculated on the basis of forecasts by the Regulated Service Provider taking into account at least 9 months of actual results and annualising them by the factor (Actual for 9 Months/9)*12. If seasonal factors are important a further adjustment may be used provided its

calculation is contained in the information provided to the Office under clause 2.4;

- $T_{p,t}$ = the Metric Tonnes of Cargo Category p which the Regulated Service Provider reasonably forecasts will be loaded or unloaded in the port of Geelong utilising Regulated Services provided by that Regulated Service Provider during Financial Year "t";
- T_t = the Metric Tonnes of all cargo which the Regulated Service Providers forecasts will be loaded or unloaded in the port of Geelong utilising Regulated Services provided by that Regulated Service Provider during Financial Year "t";
- $\sum_{p=1}^{p=n}$ = requires the summation over all Cargo Categories.

If a Cargo Category is loaded or unloaded in Financial Year "t" which was not loaded or unloaded in Base Year "b", the Office may make such adjustments as it considers necessary or desirable to the calculation of WAR_t .

2.2.6 K is a correction factor that adjusts for the difference between forecast AR and MWAR and estimated AR and MWAR based on nine months of actual data:

- (a) if Financial Year "t" is the Financial Year ending 30 June 1996, 30 June 1997 or 30 June 1998, then $K_{t,t}$ is zero;
- (b) if Financial Year "t" is after the Financial Year ending 30 June 1998, then $K_{t,t}$ is calculated in accordance with the following formula:

$$K_{t,t} = AR_{t-1}^a - MWAR_{t-1}^a$$

where:

AR_{t-1}^a = is the AR (in \$/MT) for Financial Year $t-1$ determined in accordance with clause 2.2.3, but substituting for forecast revenue and tonnes the actual revenue and tonnes for the first 9 months of the Financial Year $t-1$ and annualising them using the factor $(Actual Results for 9 Months/9) * 12$;

$MWAR_{t-1}^a$ = is the MWAR for Financial Year $t-1$ determined in accordance with clause 2.2.4, but substituting for T_t and $T_{p,t}$ the actual values for the first 9 months of the Financial Year $t-1$ and annualising them using the factor $(Actual Results for 9 Months/9) * 12$.

2.2.7 The Office may, in accordance with this Order, increase, decrease or adjust the basis for calculating AR, MWAR, WAR_t or $K_{t,t}$.

2.3 New maximum weighted average revenue estimates and new prices

- 2.3.1 A Regulated Service Provider must, at least 30 Business Days prior to the start of each Financial Year after the Base Year, give to the Office:
- (a) written notice of the Regulated Prices proposed to be charged for the provision of, or in connection with, Regulated Services to be provided by that Regulated Service Provider in the Financial Year (whether those Regulated Prices are to be charged by that Regulated Service Provider or other Regulated Entities) (an "Annual Price Schedule"); and
 - (b) sufficient information to enable the Office to assess whether the proposed Regulated Prices would comply with this Order, including sufficient information to calculate the Regulated Service Provider's AR and MWAR cap for the Financial Year.
- 2.3.2 If during a Financial Year after the Base Year a Regulated Entity proposes to increase a Regulated Price, charge a new or additional Regulated Price (otherwise than in respect of a new or additional Regulated Service referred to in clause 3.1), or alter the basis for charging a Regulated Price which may have the effect of increasing the Regulated Price when it is converted into a price per Metric Tonne under clause 4.3.1(c) (each, a "Proposed Increase"), the Regulated Entity and the relevant Regulated Service Provider must, at least 30 Business Days prior to the date upon which the Proposed Increase is to take effect, give to the Office:
- (a) written notice of the Proposed Increase; and
 - (b) sufficient information to enable the Office to assess whether the Regulated Entity's Proposed Increase would comply with this Order.
- 2.3.3 If after 20 Business Days from the receipt of a notice under clause 2.3.1 or 2.3.2, the Office has not given notice in accordance with clause 2.3.4 or 2.3.9, the Office will be deemed to have approved the Annual Price Schedule or, as the case may be, the Proposed Increase.
- 2.3.4 If:
- (a) a Regulated Entity gives to the Office a notice that purports to be accordance with clause 2.3.1 or 2.3.2; and
 - (b) in the Office's reasonable opinion, the notice does not comply with this Order,
- the Office may, within 5 Business Days after receipt of the notice, give the Regulated Entity written notice:
- (c) stating that the Office is disallowing the notice because it does not so comply;
 - (d) setting out why the Office thinks that the notice does not comply; and
 - (e) requiring the Regulated Entity to submit a notice that does so comply.
- 2.3.5 If, prior to the expiration of 20 Business Days after the receipt of a notice under clause 2.3.1 or 2.3.2, the Office decides that the Regulated Entity giving the notice has failed

- to provide sufficient information to decide whether the Annual Price Schedule or Proposed Increase would comply with this Order, the Office may give the Regulated Entity a written notice requiring the Regulated Entity to provide specific further information.
- 2.3.6 If the Office gives a Regulated Entity a notice under clause 2.3.4 or 2.3.5, the 20 Business Days referred to in clause 2.3.3 ceases to run until the Regulated Entity submits a notice that does comply or provides the Office with the required information.
- 2.3.7 The Office may, subject to clauses 2.3.8 and 2.3.9, approve or disallow an Annual Price Schedule or a Proposed Increase.
- 2.3.8 Subject to clause 2.1.4 the Office must approve an Annual Price Schedule or a Proposed Increase if it is satisfied that the proposed Annual Price Schedule or Proposed Increase:
- (a) would comply with this Order; and
 - (b) is consistent with the Objectives.
- 2.3.9 Where the Office disallows an Annual Price Schedule or a Proposed Increase, the Office must give to the relevant Regulated Entity a written notice stating:
- (a) that the Office is disallowing the Annual Price Schedule or Proposed Increase; and
 - (b) the reason why it is disallowing the Annual Price Schedule or Proposed Increase.
- 2.3.10 If, for any reason whatsoever (including, without limitation, a failure by a Regulated Service Provider to give the Office a notice which complies with clause 2.3.1), the Office has not approved (or been deemed to have approved) an Annual Price Schedule for a Financial Year "t" prior to the commencement of that Financial Year, then, until the Office approves (or is deemed to have approved) an Annual Price Schedule for that Financial Year, a Regulated Entity must not charge Regulated Prices for the provision of, or in connection with, the Regulated Services provided by that Regulated Service Provider that are more than the Regulated Prices applicable at the end of the preceding Financial Year "t-1" multiplied by $(CPI_t - X)$ where CPI_t and X have the meanings given in clause 2.2.4.

2.4 Forecasts & reporting requirements

- 2.4.1 A Regulated Service Provider must within 60 Business Days after the end of each Financial Year, provide the Office with a statement in writing setting out:
- (a) the MWAR derived from all Regulated Services provided by it during that Financial Year in accordance with section 2.2.4;
 - (b) an allocation of all revenues included in that MWAR to each Cargo Category and the quantity (in Metric Tonnes) of cargo in each Cargo Category loaded or unloaded in the port of Geelong utilising Regulated Services provided by that Regulated Service Provider during that Financial Year;

- (c) the total revenue derived from Regulated Prices charged for the provision of, or in connection with, Regulated Services provided by that Regulated Service Provider during that Financial Year; and
- (d) the total quantity (in Metric Tonnes) of cargo loaded or unloaded in the port of Geelong utilising Regulated Services provided by that Regulated Service Provider during that Financial Year.

2.4.2 The information given to the Office under clause 2.3.1 or 2.3.2 must include:

- (a) the total revenue $R_{p,t}$ which the Regulated Service Provider reasonably forecasts all Regulated Entities will derive from Regulated Prices charged for the provision of, or in connection with, Regulated Services provided by that Regulated Service Provider during Financial Year "t" taking into account at least 9 months of estimated results for year "t-1" and annualising using the factor $(Actual\ Revenue\ for\ 9\ Months/9)*12$. If seasonal factors are important a further adjustment may be used provided its calculation is contained in the information provided to the Office;
- (b) the total quantity $T_{p,t}$ of cargo in MTs which the Regulated Service Provider reasonably forecasts will be loaded or unloaded in the port of Geelong utilising Regulated Services provided by that Regulated Service Provider during Financial Year "t" taking into account at least 9 months of estimated results for year "t-1" and annualising them using the factor $(Actual\ MTs\ for\ 9\ Months/9)*12$. If seasonal factors are important a further adjustment may be used provided its calculation is contained in the information provided to the Office;
- (c) CPI_t as defined in Appendix 1; and
- (d) the factor $K_{t,t}$ determined in accordance with clause 2.2.6.

2.4.3 Subject to the provisions of the Act, a Regulated Entity must make available to the Office such other information as the Office reasonably requests for the purpose of ensuring compliance with this Order or deciding whether this Order has been complied with.

2.4.4 All forecasts and estimates made by a Regulated Entity for the purposes of this Order must be made after due enquiry and must be reasonable in light of all surrounding circumstances and past performance.

2.5 Regulated pass through of cost elements related to Force Majeure

2.5.1 If a Force Majeure Event occurs or continues, a Regulated Entity may give notice to the Office requesting approval for it to pass on the costs of the event to users of Regulated Services by an increase in Regulated Prices.

2.5.2 A notice under clause 2.5.1 must include:

- (a) sufficient information to enable the Office to assess whether a Force Majeure Event has occurred or is continuing;

- (b) an estimate of the effect of the Force Majeure Event on the Regulated Service Provider's costs and AR;
- (c) the proposed increase in Regulated Prices; and
- (d) the effect of the increase in Regulated Prices on the relevant Regulated Service Provider's MWAR cap and details of all calculations required to determine this effect.

2.5.3 Subject to clause 2.5.6, the Office must, within 30 Business Days after receipt of a notice under clause 2.5.2, determine if the Force Majeure Event specified in the notice occurred or is continuing. If the Office determines that a Force Majeure Event has occurred or is continuing, then it must also determine whether to approve the increase in Regulated Prices set out in the notice. After determining whether to approve the increase in Regulated Prices, the Office must advise the Regulated Entity in writing accordingly. If an increase in Regulated Prices is not approved, the Office must state the reason why and advise the Regulated Entity whether a revised request would be considered.

2.5.4 If the Office approves an increase in Regulated Prices under clause 2.5.3, it may increase, decrease or adjust the basis for calculating the MWAR cap of the relevant Regulated Service Provider to the extent it considers appropriate.

2.5.5 An approval of an increase in Regulated Prices under clause 2.5.3 and an increase, decrease or adjustment to the basis for calculating an MWAR cap under clause 2.5.4 may be for such period and subject to such terms and conditions as the Office considers appropriate.

2.5.6 A Regulated Entity must make available to the Office such information as the Office reasonably requests for the purposes of making a determination under clause 2.5.3. If the Office makes a request under this clause 2.5.6, the 30 Business Day period referred to in clause 2.5.3 ceases to run until the information requested by the Office is provided to the Office, or the Office advises that the information is no longer required.

2.6 Regulated pass through of cost elements related to a Change in Taxes

2.6.1 If there is a Change in Taxes, a Regulated Entity may give notice to the Office requesting approval for it to pass on the costs of the event to users of Regulated Services by an increase in Regulated Prices.

2.6.2 A notice under clause 2.6.1 must include:

- (a) sufficient information to enable the Office to assess whether a Change in Taxes has occurred;
- (b) an estimate of the effect of the Change in Taxes on the Regulated Entity's costs;
- (c) the proposed increase in Regulated Prices; and

- (d) the effect of the increase in Regulated Prices on the relevant Regulated Service Provider's MWAR cap and details of all calculations required to determine this effect.

- 2.6.3 Subject to clause 2.6.6, the Office must, within 30 Business Days after receipt of a notice under clause 2.6.1, determine if the Change in Taxes specified in the notice has occurred. If the Office determines that a Change in Taxes has occurred, then it must also determine whether to approve the increase in Regulated Prices set out in the notice. After determining whether to approve the increase in Regulated Prices, the Office must advise the Regulated Entity in writing accordingly. If an increase in Regulated Prices is not approved, the Office must state the reason why and advise whether a revised request would be considered.
- 2.6.4 If the Office approves an increase in Regulated Prices under clause 2.6.3, it may increase, decrease or adjust the basis for calculating the MWAR cap of the relevant Regulated Service Provider to the extent it considers appropriate.
- 2.6.5 An approval of an increase in Regulated Prices under clause 2.6.3 and an increase, decrease or adjustment in the basis for calculating an MWAR cap under clause 2.6.4 may be for such period and subject to such terms and conditions as the Office considers appropriate.
- 2.6.6 A Regulated Entity must make available to the Office such information as the Office reasonably requests for the purposes of making a determination under clause 2.6.3. If the Office makes a request under this clause 2.6.6, the 30 Business Day period referred to in clause 2.6.3 ceases to run until the information requested by the Office is provided to the Office, or the Office advises that the information is no longer required.
