**Planning and Environment Act 1987**  
**WHITEHORSE PLANNING SCHEME**  
 Notice of Amendment  
 Amendment L4

The City of Whitehorse has prepared Amendment L4 to the Whitehorse Planning Scheme.

The amendment applies to land at 28 Thornton Crescent, Mitcham identified as Lot 1 on proposed Plan of Subdivision 349421D.

The land is currently occupied by a two storey Communications Centre incorporating communications and computer equipment and office based staff. It operates on a 24 hour per day, seven days a week basis. Due to restructuring within Melbourne Water Corporation and changes in the provision of computing and communications, the building and the land have now become surplus to the Corporation's requirements.

The purpose of the amendment is to rezone the land, which is largely within a Melbourne Metropolitan Board of Works Reservation, with a small part fronting Thornton Crescent zoned General Industrial, to a Business 3 Zone in accordance with the State section of the Planning Scheme to enable the land to be used in a manner complementary to the area.

The amendment can be inspected at The City of Whitehorse: Nunawading Office, 379 Whitehorse Road, Nunawading 3131; Box Hill Office, 1022 Whitehorse Road, Box Hill

3128 and Department of Infrastructure, Olderfleet Buildings, 477 Collins Street, Melbourne, Victoria 3000.

Submissions on the amendment must be sent to Mr Philip Warner, Manager, Statutory and Development Services, City of Whitehorse, Locked Bag 2, Eastern Mail Centre 3110.

MORELAND PLANNING SCHEME  
Notice of Amendment  
Amendment L22**

The Moreland City Council has prepared Amendment L22 to the Moreland Planning Scheme.

The amendment affects land at 111 Brunswick Road, Brunswick (Lot 5, PS 1902, Volume 6670, Folio 935).

The amendment proposes to change the Local Section of the Moreland Planning Scheme by rezoning the land from the Light Industrial Zone to the Residential C Zone.

The purpose of this amendment is to allow the continuation of the use of the property for a dwelling which is presently classed as a prohibited use under the current zoning. The new zoning will allow the owner to make an application to Council to legitimise the residential use of the property and convert the rear workshop to a dwelling. Planning approval has already been issued to use part of the property for a caretakers dwelling. A second dwelling exists on the property which is not covered by the existing planning approval. The take away food shop operates in accordance with planning approval issued for this purpose.

The amendment can be inspected free of charge during office hours at the following locations: Town Planning Section, Moreland City Council, Coburg Offices, 90 Bell Street, Coburg 3058 and the Department of Planning and Development, Ground Floor, Olderfleet Buildings, 477 Collins Street, Melbourne 3000.

Submissions about the amendment must be sent to Town Planning Section, Moreland City Council, Locked Bag No. 10, Moreland 3058 by 16 September 1996.
