**(VICTORIA) (FEES) REGULATIONS 1996**

Notice is given as required by section 11 of the **Subordinate Legislation Act 1994** of the proposed making of the Therapeutic Goods (Victoria) (Fees) Regulations 1996.

The objective of the proposed regulations, which are to be made under the **Therapeutic Goods (Victoria) Act 1994**, is to prescribe fees, based on the full cost recovery for services relating to the provision or renewal of a licence to supply therapeutic goods by wholesale and for the inspection of a wholesaler's premises.

A regulatory impact statement has been prepared in accordance with the requirements of the Subordinate Legislation Act.
