To ensure that material received can be reproduced, and that errors are minimised, the following guidelines are to be observed when submitting material by fax.
Fax resolution
Material sent by fax should be transmitted using Fine resolution (200 dots per inch by 200 dpi). Normal resolution is unacceptable.
Font Size
Use 12 point (10 pitch) or larger.

Font Style

Clear plain font styles, such as Helvetica, should be used. Graphics

Line drawings should be transmitted as large as possible to ensure clarity. Drawings up to A4 size sent by fax using Fine resolution provide a good quality for reproduction.

Avoid

Italics, underlining, and full justification.

Ensure document is square when sending

Documents that are sent skewed are difficult to read and process.

If material does not meet above requirements your advertisement may not be published.

Emergency Management Manual Victoria

Law Press Subscription Service (AGPS)

Emergency Management Manual Victoria is relevant to all types of emergencies in Victoria, including fires, floods, storms, road accidents and earthquakes.

The manual is the essential handbook for emergency management practitioners in Victoria. Information previously scattered in various documents is now available in a single volume which comprehensively answers all your questions about emergency management.

Part 1 introduces the manual itself and gives an overview of emergency management arrangements applicable in Victoria.

Parts 2 and 3 focus on planning at State, regional and municipal levels. *Part 3* is the approved guide for municipal emergency management planning.

Parts 4 and 5 set out the principles and practice for operational emergency management covering response and recovery. These are the State's official response and recovery plans.

Part 6 sets out agencies' emergency management roles for prevention, response and recovery.

Part 7 contains specific explanatory material in appendixes and a glossary.

Part 8 contains the *Emergency Management Act 1986* (in a fully amended form).

Part 9 is a contact directory for emergency management agencies – available only for organisations or individuals with an actual involvement.

The manual is published loose-leaf in an A4 binder, to allow for periodical additions and updates. The update service will keep subscribers informed of changes as they occur. The purchase price includes 12 months of free updates.

All emergency-related planners should obtain a personal copy to allow immediate and constant access to the essential authoritative information.

Moreland City Council Environment Local
Law No. 4 1996.

The purpose and purport of each Local Law is as follows:

**MORELAND CITY COUNCIL MEETING
PROCEDURE LOCAL LAW NO. 1 1996**

The objectives of this Local Law are to:

- (a) provide a mechanism to facilitate the good government of the Moreland City Council through its formal meeting procedure to ensure effective and efficient Council decisions are made in a manner which promotes the effectiveness of local government in Moreland and within the Australian system of Government;
- (b) to promote and encourage community leadership by Moreland City Council consistent with the community's views and expectations;
- (c) to promote and encourage community participation in local government;
- (d) to regulate and control the election of the Mayor;
- (e) to regulate and control the procedures governing the conduct of meetings including:
 - (i) the notice required for meetings;
 - (ii) the keeping of minutes.
- (f) to regulate and control the use of the Council's seal.
- (d) to control and prevent behaviour which is a nuisance, or which may be detrimental to health and safety or which affects the enjoyment of recreational or other facilities;
- (e) to enable the community and visitors and their families who use municipal places that are available to the public to be confident in their choice of the use of those facilities or places;
- (f) to protect Council and community assets and facilities on or in municipal places;
- (g) in a way which is consistent with, and in furtherance of, the objectives specified in Paragraphs (a) to (f) of this clause to prohibit, regulate and control behaviour in municipal places;
- (h) to provide generally for the peace, order and good government of the municipal district; and
- (i) to provide for the administration of the Council's powers and functions.

The purport of the Local Law is to regulate the use of municipal public places, provide for good government of the municipal district and to replace the former Local Law No. 2.

**MORELAND CITY COUNCIL
ENVIRONMENT LOCAL LAW NO. 4 1996**

The purpose of this Local Law is:

The purport of the Local Law is to regulate the running of Council and Committee meetings, the election of the Mayor and the use of the Council Seal through its formal meeting procedure and replace the former Local Law No. 1.

**MORELAND CITY COUNCIL MUNICIPAL
PLACES LOCAL LAW NO. 2 1996**

Purpose of the Local Law:

- (a) to allow and protect the quiet enjoyment by people of municipal places within the municipal district;
- (b) to enable people in the municipal district to carry out their day to day activities and to enjoy their recreational pursuits without having their peace and enjoyment interfered with or destroyed;
- (c) to recognise and respond to community expectations relating to the quality of life people expect and require and are capable of influencing;
- (a) to provide a safe, healthy and sustainable environment in which the current and future residents of the municipal district enjoy a quality of life that meets the general expectations of the community;
- (b) to regulate, control and where necessary prohibit activities which may be dangerous or unsafe or detrimental to the quality of life in an environment of the municipal district;
- (c) to facilitate the provision of general public services, health and other community services, property services, recreational and cultural services and other services in a way which enhances the environment and quality of life in the municipal district;
- (d) to control nuisances and noise, odour and smoke emissions and other discharges to the environment which

may adversely affect the life within the municipal district or the health, safety and welfare of persons within the municipal district;

- (e) in a way which is consistent with and in furtherance of the objectives specified in Paragraphs (a) to (d) and the relevant applicable Council policies of this clause to regulate, control and where necessary prohibit activities and circumstances associated with:
- (i) smoke emission, particularly emission from burning material and from chimneys; and
 - (ii) the use of recreational vehicles, particularly recreational vehicles which are not used on appropriate land or reserves or which emit excessive noise or air pollution; and
 - (iii) fire hazards; and
 - (iv) dangerous and unsightly land; and
 - (v) swimming pools; and
 - (vi) advertising, bill posting and junk mail; and
 - (vii) camping and temporary dwellings; and
 - (viii) circuses, carnivals and festivals; and
 - (ix) quarrying; and
 - (x) water quality, including interference with water courses; and
 - (xi) animals, including animal numbers and the keeping and control of animals; and
 - (xii) disposal of waste, including behaviour associated with tips facility;
- (f) to provide for the peace, order and good government of the municipal district;
- (g) to provide for the administration of the Council's powers and functions.

The purport of the Local Law is to facilitate services and to regulate activities in a manner which protects and enhances the environment of the municipality and to replace the former Local Law No. 4.

Copies of these Local Laws are available for inspection at the offices of the Council at 223 Sydney Road, Brunswick; 90 Bell Street, Coburg and 796N Pascoe Vale Road, Glenroy.

WANGARATTA WATER MANAGEMENT
SCHEME

I, Peter Sutherland, authorised delegate for the Minister for Agriculture and Resources, have agreed that an investigation in relation to water management be carried out for the township of Wangaratta, and that a community-based committee be appointed under Section 214 of the **Water Act 1989**.

The town of Wangaratta has a long history of flooding. Following the May 1974 floods, a detailed flood mitigation scheme was developed and implemented. In October 1993, major flooding again occurred which was significantly larger than the previous record flood and significant damages were sustained. Following this event, a detailed hydraulic and hydrologic analysis of flooding around Wangaratta was completed and will form an input to a detailed investigation.

The study area encompasses Wangaratta's urban area and its immediate surrounds within the Rural City of Wangaratta.

The main study outcomes will include a flood damages assessment, a comprehensive floodplain management strategy which may include further structural and non-structural measures, and a comprehensive set of flood inundation maps.

A community-based committee will coordinate the preparation of a floodplain management strategy for Wangaratta in accordance with current floodplain management policy and practice guidelines, and will provide a forum for consultation throughout the study.

The committee will be made up of affected landowners in the study area and relevant public statutory bodies. All relevant interests (including environmental interests) will, as far as possible, be fairly represented on the committee. Expressions of interest for landowner representatives will be advertised in local newspapers and will be assessed by the Rural City of Wangaratta.

When the investigation has been completed, the committee will prepare a water management scheme for public exhibition and comment under Section 215 of the **Water Act 1989**.

WHITEHORSE PLANNING SCHEME
Notice of Amendment to Planning Scheme
Amendment L19**

The City of Whitehorse has prepared Amendment L19 to the Whitehorse Planning Scheme.

The amendment applies to land at 3 Elland Avenue, Box Hill.

The purpose of the amendment is to rezone the land from its existing Local Government Reservation to Residential "C". The rezoning will help facilitate the disposal of the land and provide a zone which is consistent with the existing residential zoning of adjoining and nearby land, and facilitate a use more complimentary to the area.

The amendment can be inspected at The City of Whitehorse, Statutory Planning Office, Service Centre, 379 Whitehorse Road, Nunawading, Victoria 3131 and the Office of Planning and Heritage, Plan Inspection Section, Ground Floor, Olderfleet Buildings, 477 Collins Street, Melbourne, Victoria 3000.

Submissions about the amendment must be sent to The Coordinator Statutory Planning, City of Whitehorse, Locked Bag 2, Eastern Mail Centre 3110, by 10 May 1997.

The above position was recently advertised and the proposed appointee was an applicant for the vacancy and clearly meets the requirements of the position.

NEIL COMRIE
Chief Commissioner of Police

**EXEMPTION FROM NOTIFICATION OF
VACANCY UNDER SECTION 29 (2) OF THE
PUBLIC SECTOR MANAGEMENT ACT
1992**

Position Nos NRE005959, NRE005650, NRE002742, NRE009480, NRE048018, NRE003585, NRE007418, NRE001171, NRE014209, NRE008793, VPS-3, Ranger in Charge, Parks Flora and Fauna, Department of Natural Resources and Environment.

Reason for exemption

The position has been reclassified to recognise a demonstrated and significant shift in work value in a specialised area of work, the incumbents are officers who are recognised as satisfactorily discharging all of the requirements of the position and the Department Head considers that it is unlikely that advertising the vacancy would attract more suitable candidates.

EXEMPTION

Application No. 24 of 1997

The Anti-Discrimination Tribunal constituted by the President pursuant to Section 83 (5) (a) (ii) of the **Equal Opportunity Act 1995** ("the Act") has considered an application pursuant to Section 83 of the Act by The Victorian Women's Lacrosse Association Inc. to permit the Association to conduct an all girls Lacrosse Competition for girls aged 13 and under.

Upon reading the material tendered in support of this application and for the reasons for decision given by the Tribunal on 7 April 1997 the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 42, 60, 65, 100 and 195 of the Act to permit the Association to conduct an all girls Lacrosse Competition for girls aged 13 and under.

The Tribunal grants an exemption from the operation of Sections 42, 60, 65, 100 and 195 of the **Equal Opportunity Act 1995**, to permit the Association to conduct an all girls Lacrosse Competition for girls aged 13. This exemption to remain in force until 10 April 2000.

Note: A copy of the Tribunal's decision may be obtained from the Registrar of the Tribunal on request.

President

EXEMPTION

Application No. 26 of 1997

The Anti-Discrimination Tribunal pursuant to Section 83 (5) (a) (ii) of the **Equal Opportunity Act 1995** ("the Act") has

considered an application pursuant to Section 83 of the Act by Mara Pacers, Acting Executive Director, on behalf of Prahran Mission. The application for exemption is to enable the applicant to conduct an event "Menzart", a program of discussion groups and activities aimed at providing men with an opportunity to explore the range of masculinity's and positive, non-dominating choices they face in their lives, for men only.

Upon reading the material tendered in support of this application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 42, 100 and 195 of the Act to enable the applicant to conduct an event "Menzart", a program of discussion groups and activities aimed at providing men with an opportunity to explore the range of masculinity's and positive, non-dominating choices they face in their lives, for men only.

In granting this exemption the Tribunal noted:

- The Prahran Mission is a not-for-profit community service agency sponsored by the Uniting Church Synod of Victoria and is committed to social justice.
- The Menzart program is a focus on men and is about exploring the range of masculinity's and the positive, non-dominating, affirming choices facing men in the nineties and celebrating these choices.
- The workshops are designed to be interactive. From the applicant's experience in facilitating men's groups over a period of five years, many participants have fed back that they would not have attended, and certainly would not have expressed themselves had women been present.
- Menzart is about men and their dimensions, these being their spiritual, physical and psychological beings. It is about issues that impact on men such as the different types of anger that they experience in their lives. It is about the violence that can result from this anger. It is about the management of this violence.
- Some of the programs to be conducted during the Menzart program include a workshop exploring the different types

of anger men experience in their lives, Men's spiritual health, Mens's physical health and explores the use of the song writing, music and chant as a form of male expression.

The Tribunal grants an exemption from the operation of Sections 42, 100 and 195 of the **Equal Opportunity Act 1995**, to enable the applicant to conduct an event "Menzart", a program of discussion groups and activities aimed at providing men with an opportunity to explore the range of masculinity's and positive, non-dominating choices they face in their lives, for men only, this exemption to remain in force until 2 April 2000.

Subordinate Legislation Act 1994
REGULATORY IMPACT STATEMENT
Proposed Water Supply Protection By-Law
1997

Notice is given in accordance with Section 11 of the Subordinate Legislation Act 1994 that a Regulatory Impact Statement (RIS) has been prepared in relation to the proposed Water Supply Protection By-law 1997.

The proposed By-law provides for the restriction of public access to catchment areas and other parts of Melbourne's water supply system.

The reason for the proposed By-law is that access to, and activities within, the catchments and the water supply system must be regulated to:

- minimise both the risk of human borne diseases entering the water supply system and the amount of chlorine and water treatment applied to the water;
- minimise catchment and reservoir disturbance which results in lower water quality;
- reduce the risks of bushfires which have the capacity to significantly reduce catchment yield and lower water quality; and
- minimise the potential for interference with, and vandalism to, water supply assets.

The objectives of the proposed By-law are to:

- (a) prevent pollution of or damage to certain land, water or works forming part of the metropolitan water catchments or water supply system; and
- (b) provide for the care, protection and management of land, water and works owned by, vested in or under the control or management of the Melbourne Water Corporation for the purpose of discharging its water supply function.

The RIS found that it will achieve its objective by preventing access, except for properly authorised persons, to these areas and works of the water supply system, whilst only imposing a relatively small cost and loss of amenity burden on persons who might otherwise want access.

The RIS examined two alternatives to the proposed By-law which were:

- for persons to abide by a voluntary code of conduct; and
- for persons to be allowed unrestricted access to catchment areas and reservoirs with full water treatment.

The Regulatory Impact Statement clearly identifies that the proposed By-law is the most effective means of achieving the objectives.

Public submissions are invited on the RIS and accompanying By-law. Copies of these documents may be obtained by contacting Frank Lawless, Manager Water Supply Catchments, telephone 9565 1960.

Written submissions will be received at the following address up to 12 noon on 14 May 1997; Mr Brian Bayley, General Manager, Water Group, Melbourne Water, 68 Ricketts Road, Mt Waverley 3149.
