EXEMPTION Application No. 49 of 1997

The Anti-Discrimination Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** ("the Act") by Nicole Graves, on behalf of The Circuit Sports Café at 324 St Georges Road, North Fitzroy. The application for exemption is to permit the café to hold womens only functions on 1 night in each week.

Upon reading the material tendered in support of this application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 42, 100 and 195 of the Act to enable the applicant to permit the café to hold womens only functions on 1 night in each week.

In accordance with its Reasons for decision dated 6 August 1997 the Tribunal grants an exemption from the operation of Sections 42, 100 and 195 of the **Equal Opportunity Act 1995** to permit the café to hold womens only functions on 1 night in each week.

This exemption is for a period of three years. This exemption is to remain in force until 13 August 2000.

Note: Copy of the reasons for decision may be obtained upon application to the Registrar of the Anti-Discrimination Tribunal.

EXEMPTION Application No. 62 of 1997

The Anti-Discrimination Tribunal pursuant to Section 83 (5) (a) (ii) of the **Equal Opportunity Act 1995** ("the Act") has considered an application pursuant to Section 83 of the Act by Lawstaff Group Pty Ltd. The application for exemption is to enable the applicant to advertise for legal practitioners to fill positions in respect of which employers who are clients of the Applicant have authorised the Applicant to organise recruitment and have certified to the Applicant that the employer genuinely believes that the nature of the position reasonably requires the person who fills it to have a specified minimum level of legal experience and to include in those advertisements reference to the minimum levels of legal experience mentioned in those certifications.

Upon reading the material tendered in support of this application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 42, 100 and 195 of the Act to enable the applicant to advertise for legal practitioners to fill positions in respect of which employers who are clients of the Applicant have authorised the Applicant to organise recruitment and have certified to the Applicant that the employer genuinely believes that the nature of the position reasonably requires the person who fills it to have a specified minimum level of legal experience and to include in those advertisements reference to the minimum levels of legal experience mentioned in those certifications.

In granting this exemption the Tribunal noted:

- It is in the public interest to permit a requirement for a minimum experience level where the nature of the work requires that level of expertise and where the job simply wouldn't be able to be undertaken or would not be undertaken adequately by a person without that minimum experience level.
- The Legal Practice Act in the admission rules, set requirements for admission that will almost invariably, although not

always, mean that because of the length of training that is required, very young people will not be admitted for practice. So there is to an extent at least a minimum age requirement already. The requirement for experience in part recognises this requirement and in part elaborates it.

- It is in the public interest that those who are too inexperienced to undertake, or to undertake competently certain kinds of legal work, should not do so. This is of benefit to all members of the public who wish to use the services of the legal profession.

The Tribunal grants an exemption from the operation of Sections 13, 42, 100 and 195 of the **Equal Opportunity Act 1995**, to enable the applicant to advertise for legal practitioners to fill positions in respect of which employers who are clients of the Applicant have authorised the Applicant to organise recruitment and have certified to the Applicant that the employer genuinely believes that the nature of the position reasonably requires the person who fills it to have a specified minimum level of legal experience and to include in those advertisements reference to the minimum levels of legal experience mentioned in those certifications, this exemption to remain in force until 13 August 2000.

Regulatory Impact Statement
Magistrates' Court (Fees, Costs and Charges)
(Amendment) Regulations

A Regulatory Impact Statement has been prepared in relation to the proposed Magistrates' Court (Fees, Costs and Charges) (Amendment) Regulations 1997.

The major objective of the proposed Regulations is to ensure that persons who have fines in the PERIN Court and have defaulted in payment of that fine necessitating the Sheriff to enforce payment under the authority of a warrant make an equitable contribution to the cost associated with the activity, thus minimising the impact on the public purse.

The proposed Regulations replace an existing warrant execution fee of \$79 with two separate fees, one in respect of the issue of a warrant to enforce an overdue fine in the PERIN Court and which is included in the warrant, and one that is only payable if the warrant proceeds to the execution stage following the expiration of the 7 day warning period. The impact statement examines the level at which these fees should be fixed and concludes that each fee should be fixed at \$40.

The regulations do not affect other fees payable in the Magistrates' Court.

Public comments and submissions on the Regulatory Impact Statement are invited. Copies of the Regulatory Impact Statement may be obtained by telephoning Mr John Isaacs on (03) 9651 0389.

Written submissions on the Regulatory Impact Statement and the accompanying draft regulations will be received up to 28 days from the date of publication of this notice. All submissions will be treated as public documents.

Submissions should be addressed to Mr John Isaacs, Courts, Tribunals and Registries Division, Department of Justice, Level 4/55 St Andrews Place, Melbourne 3002.
