EXEMPTION

Application No. 77 of 1997

The Anti-Discrimination Tribunal constituted by the President pursuant to Section 83 (5) (a) (ii) of the **Equal Opportunity Act 1995** (The Act) has considered an application pursuant to Section 83 of that Act by Brian Boyce Trading as Tablemates to enable the applicant:

- to refuse to provide its services as an introduction agency to certain applicants and to ask certain questions of applicants in connection with that business;
 - to charge no membership fee or a discounted membership fee for prospective clients of a particular sex or age group;
 - to advertise for potential clients from a particular sex or age group;
 - to state in advertisements for potential clients that an application from a person who is married and not separated from their spouse will not be accepted;
 - to advise potential clients that, because of their attributes and the attributes preferred by the clients of the service, it will be difficult to find a match for them, where this advice is based on information in the possession of the service.
- Upon reading the material tendered in support of this application and on hearing the applicant in person, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 42, 100 and 195 of the Act to enable the applicant:
- to refuse to provide its services as an introduction agency to certain applicants and to ask certain questions of applicants in connection with that business;
 - to charge no membership fee or a discounted membership fee for prospective clients of a particular sex or age group;
 - to advertise for potential clients from a particular sex or age group;
 - to state in advertisements for potential clients that an application from a person who is married and not separated from their spouse will not be accepted;
 - to advise potential clients that, because of their attributes and the attributes preferred by the clients of the service, it will be difficult to find a match for them, where this advice is based on information in the possession of the service.
- In accordance with its reasons for decision dated 10 October 1997, the Tribunal grants an exemption from the operation of Sections 42, 100 and 195 of the **Equal Opportunity Act 1995**, to enable the applicant to:
- (a) refuse to provide its service to a person who is married and not separated from their spouse;
 - (b) obtain information from clients and potential clients of its service for the purpose of matching those clients and potential clients, including information about the attributes (within the meaning of the Act) of those clients and potential clients;

- (c) advise potential clients that, because of their attributes and the attributes preferred by the clients of the service, it will be difficult to find a match for them, where this advice is based on information in the possession of the service;
- (d) to charge no membership fee or a discounted membership fee for prospective clients of a particular sex or age group;
- (e) to advertise for potential clients from a particular sex or age group;
- (f) to state in advertisements for potential clients that an application from a person who is married and not separated from their spouse will not be accepted.

Paragraph (c) does not permit the applicant to refuse to provide the service of its agency to any person.

Paragraphs (d) and (e) only permit the applicant to charge no fees or discounted fees or to advertise in respect of people of a particular sex or age group if the applicant considers that this is necessary to encourage people in those groups to join its service to correct an imbalance in the representation of those groups among the applicant's existing clients.

This exemption is for a period of three years. This exemption to remain in force until 15 October 2000.

SCHEDULE 3—DIRECTIONS ABOUT THE EMPLOYMENT OF STAFF

PART 1—PRELIMINARY

Operation

3.1 These Directions are not intended to operate so as to confer or impose rights, liabilities or obligations as between a Council and a person employed by the Council or to affect the application of any law, employment agreement, contract of employment or award which applies to a matter dealt with by these Directions. Nevertheless, to the extent that a

Council has discretion under such a law, employment agreement, contract of employment or award, the Council must comply with and give effect to these Directions in the exercise of that discretion.

- 3.2 A Council must take all practicable steps to ensure that its employees and agents also give effect to these Directions.

PART 2—MANAGEMENT OF EMPLOYEE RELATIONS

Management Practices

- 3.3 Councils must develop policies on employment and employee relations which are consistent with these Directions and the employee relations policies from time to time of the Government of Victoria, and which are designed:

- (a) to ensure compliance with relevant State and Federal laws relating to employee relations and industrial relations; and
- (b) to ensure that all ongoing financial liabilities incurred by the institution in relation to employment can be satisfied out of the institution's own resources.

Consistency With Directions

- 3.4 A Council must ensure that an employment agreement or contract of employment does not contain a provision which is inconsistent with these Directions or the employee relations policies from time to time of the Government of Victoria.

Consent Awards And Agreements Under The Commonwealth **Workplace Relations Act 1996**

- 3.5 A Council must advise the Minister in writing within seven days after it has entered into negotiations in relation to:

- (a) the making of a consent award; or
- (b) the making of a Certified Agreement, or Australian Workplace Agreement under the Commonwealth **Workplace Relations Act 1996**.

- 3.6 A Council must not without the written approval of the Minister:

- (a) consent to the making of an award under the Commonwealth **Workplace Relations Act 1996**; or
- (b) make a Certified Agreement, or Australian Workplace Agreement under the Commonwealth **Workplace Relations Act 1996**; or
- (c) make or be a party to an application under the Commonwealth **Workplace Relations Act 1996** or any other application or notice under that Act in relation to the making, approval or implementation of a Certified Agreement, or Australian Workplace Agreement under that Act.

- 3.7 A Council must provide to the Minister such information and reports on the status and progress of any industrial matter as the Minister may reasonably require.

Council Determinations

- 3.8 A Council must not make a determination under Section 34C of the **Vocational Education and Training Act 1990** (which empowers Councils, subject to that Act, to determine conditions of employment) which is inconsistent with these Directions.

Hours of Duty/Annual Leave

- 3.9 In negotiating employment agreements and contracts of employment, and in making determinations under Section 34C of the **Vocational Education and Training Act 1990**, Councils must have regard to the fact that the current standards:

- (a) for hours of duty is 38 hours each week; and
- (b) for annual leave is four weeks.

Redundancy

- 3.10 An employment agreement or contract of employment may specify that any monetary entitlement in the event of redundancy will be in accordance with Victorian Government policy applying at the time. An employment agreement or a contract of employment must not provide any other monetary entitlement in the event of redundancy.
- 3.11 Where a Council retrenches an employee who is a member of the Revised or New superannuation schemes under the **State Superannuation Act 1988**, without the written consent of the Minister, then the Council is liable for all employer liabilities incurred as a result of that retrenchment and must reimburse the Consolidated Fund or the relevant superannuation scheme (as the case requires) the liability which the Minister certifies in writing as having been incurred as a result of the retrenchment.

PART 3—EXECUTIVE OFFICERS**Classification of Management Staff Positions**

- 3.12 A Council must, in respect of each management staff position:
- (a) assign a TAFE Executive Officer (TEO) classification level to the position; and
 - (b) determine the amount of the remuneration package for the position
- in accordance with the following table and these Directions:

<i>TEO Classification Level</i>	<i>Band</i>	<i>Points Factor Score</i>	<i>Remuneration Range</i>
2	1	700-824	\$84,542 - \$98,440
	2	825-974	\$91,100 - \$107,000
	3	975-1124	\$103,500 - \$120,203
1	1	1125-1349	\$114,227 - \$132,680
	2	1350-1649	\$128,640 - \$143,009

- 3.13 Before a management staff position is classified, or the classification is varied, the Council must arrange for a work value assessment to be conducted in respect of the position.
- 3.14 The assessment must be conducted in accordance with the process known as the Cullen Egan and Dell Points Factor Evaluation System.
- 3.15 For positions of the level TEO 1 and all Institute Director positions:
- (a) the assessment must be conducted by the management consultancy firm of Cullen Egan and Dell; and
 - (b) the assessment must be submitted to the Minister, or a person nominated by the Minister, for approval of the classification; and

 - (b) the Council must determine the remuneration for the position within the approved range for the position.
- 3.17 References, in the table in Clause 3.12, to amounts of remuneration are made on the basis that a position is a full-time position. In relation to a part-time position, a reference in these Directions to an amount of remuneration must be construed as a reference to an amount equal to:

$$\frac{\text{HW}}{76} \times \frac{\text{AR}}{1}$$

where:

HW represents the normal hours of work in each fortnight of the occupant of the position; and

AR represents the amount of remuneration for a full-time position.

Content of Contracts of Employment for Executive Officers

- 3.18 A contract of employment must specify the date on which it expires which must not be more than 5 years after the date on which it comes into force.
- 3.19 A contract of employment between an executive officer and his or her employer may contain provisions concerning some or all of the terms and conditions of employment including:
- (a) the duties of the executive officer's position (including performance criteria for the purpose of reviews of the officer's performance); and
 - (b) the monetary remuneration and employment benefits for the executive officer determined in accordance with these Directions.
- 3.20 Unless the Council otherwise approves, at least 50 per cent of an executive officer's remuneration package must be taken as salary. A Council may approve less than 50 per cent of an executive officer's remuneration package being taken as salary only if it is satisfied that:
- (a) the officer is nearing minimum retirement age; and
 - (b) the reconstruction of the officer's remuneration package is for the purpose of maximising the officer's superannuation position by 'topping up' superannuation contributions in the later years of employment; and
 - (c) superannuation contributions are being directed to a nominated complying superannuation fund or funds.
- 3.21 Except as provided in Clause 3.20, a Council must not approve less than 50 per cent of an executive officer's remuneration package being taken as salary without the prior written approval of the Minister.
- 3.22 Subject to these Directions, a contract of employment may provide for the adjustment of:
- (a) the total amount of a remuneration package, within the range prescribed for the classification level of the position, at intervals of not less than two years. An adjustment must be assessed having regard to:
 - (i) any upper remuneration limit set by the Minister; and
 - (ii) any assessment of the executive officer that has attracted a performance bonus over the previous two years; and
 - (iii) the application by the executive officer of key competencies considered by the Council to be critical to the on-going delivery of services and the organisational viability of the institution; and
 - (iv) the need to retain the services of the executive officer; or
 - (b) the components of the remuneration package, subject to the provisions of these Directions, as agreed between the parties.
- 3.23 The first such adjustment, which must not exceed 7 per cent of the executive officer's remuneration package, may be made following the commencement of the Ministerial Directions to Councils of TAFE Institutes and Universities with TAFE Divisions (Amendment) 1997.

Performance Review and Performance-Related Incentive Payments

3.24 A contract of employment:

- (a) must provide for an annual assessment of the executive officer's performance; and
- (b) must specify criteria on which performance will be assessed and the process by which the assessment will be conducted.

3.25 A performance-related incentive payment must not be made to an executive officer unless that payment is in accordance with a provision of the officer's contract of employment.

3.26 A provision of a contract of employment in relation to performance-related incentive payments:

- (a) must specify the amount of performance-related incentive payment which may be paid, which must be expressed as a percentage (not more than 20%) of the remuneration package of the executive officer; and
- (b) must require any payment to be based on work performance in accordance with the following criteria:

Rating	Bonus Range	Criteria
1	0-10%	Superior—Exceeds the requirements of most performance plan criteria
2	11-20%	Exceptional—Far exceeds the requirements of all performance plan criteria and far exceeds expectations on most critical areas

and

- (c) must provide that a performance-related incentive payment in excess of 15% is not payable without the written approval of the Minister; and
- (d) must provide that any payment to which the executive officer is entitled is to be made annually.

Payment in Lieu of Long Service Leave or Recreation Leave

3.27 A Council must calculate any payment in lieu of long service leave or recreation leave on the basis of 94.3 per cent of the officer's total remuneration package.

Subordinate Legislation Act 1994
CHILDREN'S SERVICES REGULATIONS
 1997

In accordance with the requirements of the **Subordinate Legislation Act 1994**, notice is given of the availability for public comment of the proposed Children's Services Regulations 1997 and Regulatory Impact Statement (R.I.S.).

The proposed regulations, which are to be made under the **Children's Services Act 1996**, will replace the Children's Services Centres Regulations 1988.

The primary objective of the proposed regulations is to ensure the care and protection, and to address the developmental needs, of children attending centre based services for children below school age. The proposed regulations specify requirements for the licensing and operation of children's services, including minimum standards for the care of children, minimum staff qualifications, staff:child ratios and premises of services.

The R.I.S. presents an assessment of the costs and benefits in relation to the proposed regulations, and of alternatives to those proposals. The R.I.S. concludes that the overall benefits of the proposed statutory rule to the community outweigh the potential costs.

Public submissions on the proposed regulations and R.I.S. are invited. Copies of the R.I.S. which includes the proposed regulations, are available through the Department of Human Services Library, Ground Floor, 555 Collins Street, Melbourne 3000. Phone: (03) 9616 7333 Fax: (03) 9616 8142.
